

**TOMATO GROWERS ARE
WARNED OF APRIL
FROST**

**Advice Given By Expert
To Farmers In The
Cameron Territory**

Secretary Cobb of the Commercial Club offers the following timely communication to tomato growers here:

About every ten years we have a very late frost in April. In case we should have one this year it is important that you cover the tomatoes. If they are not too large you can take a hoe and cover with dirt rapidly. If they are too large to cover with a hoe and you know it will freeze take a plow or cultivator. Whenever we do have one of these late frosts, tomatoes usually bring a good price and the man that has his is making money. It does not hurt them to cover with dirt.

Four good tomatoes to a stalk make 100 bushels to the acre. It pays to leave just three good clusters to the stalk or four small ones. It pays to keep the suckers off the tomatoes. You should prune once a week, and top at three clusters or 4 small clusters. When you neglect the tomatoes you lose money.

If you do not stick the tomatoes leave the large sucker directly under the first cluster and leave one bloom pod on it where you do not stick that the dirt be plowed up to the fork or nearly up to the first cluster in laying them by to keep them from falling down.

If the large tobacco worms get bad use large quantities of Calcium Arsenate or cotton poison and it will kill them.

The greatest mistake a new point can make is to open the shed before the tomatoes get ready. You can almost ruin a new deal this way. We will have competent men to be there to open the sheds at the proper time and please don't think we are waiting too long. We want to open the shed just as soon as possible ourselves but it would be an injustice to you to open them too soon. Every grower should have a few sound ripe tomatoes on each row, before he begins to pick green. In after years you will see I am correct.

Very respectfully,
J. D. McENERY,
Southern District Mgr. for
Newton and Wallace.

Home Agents Plan Three County Meet

Miss Minnie Bartholomew, County Home Demonstration Agent for Milam County, in company with Misses Sadie Hartfield and Katie Adell Hill of A. & M. College, motored to Belton Monday and had a meeting with four Home Agents, Misses Burleson of Williamson county; Hearne of Bell county; Jacks of Falls county; with a council chairman from each county, meeting with Misses Neeley and Hamilton of the Home Economics Department of Baylor College, for the purpose of planning for a Home Demonstration meeting to be held at Baylor College April 23 at which time Baylor College will be hostess to all Home Demonstration Club members and their husbands from Bell, Falls, Williamson and Milam counties.

Burglars Make Haul Of Rockdale Safe

Burglars knocked the knob and blew the safe of the Wm. Cameron Lumber Company at Rockdale, Tuesday night some time after midnight. They took between \$25 and \$30 in cash and \$50 and \$60 in checks. They also took the managers overcoat and two rifles. So far the sheriff's office has no clue to the robbery.

COMMERCIAL CLUB HERE TO ELECT OFFICERS MONDAY

Semi-Annual Meeting With Program Of Speaking

Election of officers and directors for the ensuing term will feature the meeting of the Commercial Club on next Monday night.

It is the semi-annual meeting of the club for the election of officers and directors.

The entertainment committee in charge of the program has arranged for Capt. Hickox, traffic expert to address the gathering. Refreshments will be served and all members are expected to attend.

SIMULTANEOUS REVIVAL AT CAMERON IN CHURCHES

Sunday Morning These Churches To Begin Services

Next Sunday morning the following churches of Cameron will enter into a simultaneous revival campaign: Methodist, Baptist, Presbyterian, Christian and Episcopal. Each church will have its usual services Sunday morning. All churches will worship with the Baptist church Sunday evening at 7:30.

The morning services of the week will be held at the Baptist church each morning, except Saturday at 10 o'clock. Each of the five pastors will preach one morning during the week. All churches except Episcopal hold their own evening services at 7:45 p. m., except Saturday. Rev. Love will only be in town one night, Friday night, at which time his church will have an evening service.

Easter morning at 6 a. m. the community will begin the worship of the day with a sunrise prayer meeting at the park. If the weather is bad the meeting will be held at Presbyterian church.

All churches will again have their own morning services Easter. At 7:15 p. m. all the community is expected to worship with the Methodist church. The Union Cantata, 'Life Eternal,' under the direction of L. C. Gayle, conductor and Mrs. J. L. Clinton, organist, will be given. Following the cantata Rev. N. D. Timmerman, Baptist pastor, will bring the evening message.

It is the hope and expectation of the pastors of the city that all members will enter heartily into this revival campaign and make it a lasting good to the community. People of all faiths and no faith are urged to attend the church of your choice this week and be helped. May we say as did the Psalmist, 'I was glad when they said unto me, let us go unto the house of the Lord.'

TRAFFIC EXPERT WILL BE IN CAMERON MARCH 30-31ST

Safety Campaign Will Promote Better Driving

Cameron citizens will have the opportunity to hear Captain Art B. Hickox, famous veteran automobile racing driver and aviator, now known as an outstanding National Street and Highway Traffic Expert.

Captain Hickox in the earlier days of automobile racedom drove the dirt track circuits and also many road races as the dare devil of speed, his professional title being written up through the sport pages of the newspapers as Capt. Art B. (Wild Bill) Hickox.

This man, now 53 years of age made automobile history back 27 years ago. He comes to Cameron to conduct a two days Accident Prevention program and the dates have been set for Monday and Tuesday, March 30 and 31.

The program to be followed out by Capt. Hickox will consist of Safety Talks in all Cameron schools, addresses before luncheon clubs and he will speak in the local theatre on Traffic Tangle Topics.

On Tuesday March 31 a general public mass meeting will be held in the high school auditorium. The meeting will be for all types of drivers, automobile and truck drivers, men and women drivers, and there will be no charge of admission. Capt. Hickox will lecture on the efficiency of automobile driving. Eight huge charts 8 by 10 feet in size will be exhibited showing diagrams and drawings to plainly describe the common sense principles of the correct manner to operate a motor vehicle in the every day busy traffic. He will hold a thirty minute period or questionaire examination covering ten questions of traffic knowledge and ten (continued on last page)

COTTON OIL COMPANY IS HIGH INDUSTRY

PRODUCTS ARE DISTRIBUTED OVER WIDE AREA OF THE SOUTHWEST

The Cameron Cotton Oil company under the ownership and able management of R. L. Batte, is one of the leading industries of its kind in the entire Southwest.

This industry has made a most impressive contribution to the development of Cameron and today its products are widely distributed over a large area of Texas and the nation. Established some years ago it has extended its usefulness with each succeeding stride of the community and today is serving a definite and commanding need in the community. The mill is located on the Santa Fe in Cameron and is one of a number of industrial plants identified with the R. L. Batte interests here. It annually affords an adequate market for farmers selling their cotton seed and this product in turn is made into various commodities that find their way into the large annual toll of income from the farms.

The plant of the Cameron Cotton Oil Company is one of the most modern in Texas and is operated

ICE COMPANY HERE IS HIGH INDUSTRY

HAS CAPACITY OF 50 TONS A DAY AND MUCH GOOD STORAGE SPACE

Manufacturing pure ice with the most modern and approved methods is the business of the Cameron Ice and Cold Storage Company through which thousands are served each year and the plant, one of the largest in this section of the Southwest is a stable influence in the industrial life of Cameron.

The service of this plant is indispensable and its ice is sold in large volumes each year to consumers and for refrigeration purposes, and in addition to storage facilities are large and complete.

A visit on Monday through this plant Monday revealed to writers an amazing mass of equipment together with the most modern methods in the manufacture of ice and the maintenance of modern storage equipment.

In the beginning of the process water is run through one of two large approved sand filters. It is filtered from one to the other, meeting every government purity test when it reaches the freezing tanks where the ice is made. A large air blower is used in the freezing process with the result that if any impurities may be found in the water it is blown to the center of the cake. When the cake is partially frozen the air is removed leaving a center of unfrozen water. This water is drawn off and discarded and the core filled with pure water and the freezing process is resumed thus insuring a perfect and pure ice.

The freezing tanks, and there are hundreds of them, are scrubbed each day and the most modern methods are used in the manufacture of ice. An electric crane is used to handle the tanks. The ice is placed in a (continued on last page)

MRS. WM. BLUMENTHAL BURIED IN CAMERON MONDAY

Pioneer Texas Mother Passes Away At Home Here

Mrs. William Blumenthal passed away Monday morning, March 23 at 12:50 o'clock at her home in Cameron at the age of 75 years.

Mrs. Blumenthal was born September 19, 1855 in Austin county, Texas. She was married to William Blumenthal on February 4, 1875 and spent most of her life at Bellville where they made their home until coming to Cameron in October 1928, since then she, with her aged husband, occupied a small new home built by them by her daughter and husband, Mr. and Mrs. R. A. Tag, on their lot by the side of their home, where the aged couple have been looked after by the devoted daughter and family.

Deceased had been in ill health the past five months but was confined only three days to her bed before the end came. She had lived a quiet life, and loved her home, attending church regularly until old age deprived her of that pleasure. She belonged to an early pioneer family of Austin county and often spoke of earlier days of Texas.

After they came to Cameron they celebrated their Golden Wedding anniversary and were remembered by children, grand children and friends. (continued on last page)

Baylor Choral Club At Baptist Church

The Baylor University Choral Club will give a concert at the First Baptist church Saturday night, March 28 at 8:15 o'clock. Everyone is invited to attend and hear this fine group of singers under the able direction of Mrs. Pierce. No admission will be charged but a free will offering will be taken for them at the close of the service.

Record Day In Sale Of Bread At Parma's Store In Cameron

J. T. Parma, despite weather and hard time talk, has added another record of 858 loaves of bread to his one day sales.

His previous one day sale of 967 loaves two years ago still stands as a record. Saturday, however, was his largest run since. His bread sales for the past three Saturdays were 690, 580 and 858 loaves.

Mr. Parma says, that this emphasizes the movement sponsored by the Chamber of Commerce and the Lions Club to promote better feeling and help home industries by using bread or any other item made in Cameron.

It is said that the local bread is much fresher and is steadily gaining in sales and popularity.

Mr. Parma had a record day last Saturday, necessitating the addition of two extra men to his regular large force in an attempt to wait on the buying public. Quality and prices count nowadays, he says, and Saturday will be another big day for his store that originated Saturday specials in Cameron.

MANUFACTURERS EXHIBIT CHART

The following chart will show the names of Cameron Manufacturers and the display windows they will use in the exhibits to be shown during the week of March 27 to April 6.

Industry	Window To Be Used
Kunz Planing Mill	Posey's Bakery

Matyastik Feed Mill	Hefley-Stedman Motor Co.
Wilson Potato Chips	Community Natural Gas Co.
American Milk Products Co.	Gohmert Building
Sun-Tex Hatchery	Duke & Ayres

MEDICAL SOCIETY IN MEETING TUESDAY

PROGRAM AT BLUEBONNET CAFE BRINGS MEDICOS TO CAMERON

The Milam County Medical Society held its regular quarterly meeting in the Banquet Hall at the Blue Bonnet Cafe Tuesday afternoon and night, March 24.

A very interesting program was rendered; a bounteous feast was served the home and visiting doctors and a special entertainment was rendered during the meal. The men's quartette rendered several old time songs. Misses Blaylock and McGregor gave two special readings, which were much appreciated by all present. Many of the out of town guests stated that it was the best meeting held in years.

The following doctors were in attendance: Drs. Taylor, Epperson, Hubert, Crump, Denson, Valenta, Denson, Ferguson and Monroe of Cameron; Dr. W. W. Latham of Caldwell; Drs. Buie and Monger of Marlin; Dr. Crosthwait of Waco; Drs. Pollock, Denson, Harlin and Powell of Temple; Dr. Herring of Burlington; Dr. Fontaine of Jones Prairie; Dr. Barclay of Rockdale; Drs. Howard, Thorning, Knolle and Sansing of Houston.

Dr. R. W. Wallace of Rockdale was elected president of the association; Dr. A. S. Epperson, vice president; Dr. G. B. Taylor, secretary and treasurer. Drs. Taylor and Barclay were elected as delegates to State Meeting, which will meet in Beaumont in May.

Rogers In 'Lightnin' At Milam Theatre On Sun. Mon. & Tues.

Will Rogers in 'Lightnin'' will feature the program at the Milam Theatre on Sunday, Monday and Tuesday, three big days of the celebrated American cowboy humorist.

Mr. Swift says the program will be one of the best of the year and feels fortunate in securing a three day release on the big picture.

'In Lightnin'', coming to the Milam Theatre Sunday, Monday and Tuesday, Rogers portrays the role of Bill Jones, who hates work as much as he likes his little nip. He is, as a rule, about half 'lit up' and on such occasions tells the most outrageous and fanciful lies imaginable, including his boasts that he 'once drove a swarm of bees across the plains in the dead winter and never lost a bee.'

He is called 'Lightnin'' on account of his methodical ways and because he is never in a hurry. He is a whimsical old character, kind and loveable and is always attempting to do some one a good turn, though he insists on taking his own good time in accomplishing whatever he sets out to do.

In the end, he outwits a scheming lawyer, rights a great wrong, and brings romance to his daughter, Millie, a character portrayed by Helen Jehan, youngest daughter of George M. Cohan of stage fame.

Many Attend Opening Of Savittal Store Here Saturday

Mondrik Brothers Savittal Store was opened Saturday of last week with hundreds from Cameron and all parts of the territory attending the opening day sale. The store, one of the most attractive in this section was crowded throughout the day and far into the night Saturday. The sales volume was very large and many expressed their approval of the system.

Again on Monday the management said the store enjoyed a good patronage and this week special bargains are advertised for Saturday.

E. L. Kahler, manager of the store is well pleased with the attendance at the opening day Saturday and also the sales volume for that day. A special feature of the store is its Frigidaire system of refrigeration for meats and vegetables.

Mr. and Mrs. W. A. Davidson of Bellville were week end guests of Mr. and Mrs. Bob Terry.

MANUFACTURER'S WEEK IN CAMERON BEGINS MARCH 27

Local Industries Get Attention From Lions

Cameron is a thriving industrial center and sustains a number of manufacturers whose products annually amount to a very large portion of the city's annual trade income.

In order to emphasize the merits of Cameron Manufacturers and to bring to the attention of the people at large the products manufactured in Cameron, Manufacturer's Week is being observed here beginning Friday March 27 and closing on Monday April 6.

Presentation of Cameron Manufacturers and their products which is also to emphasize the advantages offered in Cameron for thriving industry, involves an interesting program of publicity and displays.

The movement to observe Manufacturer's Week is sponsored by the Lions Club and a committee of three: Stanton Dossett, John C. Young and L. F. Gohmert have cooperated with Cameron newspapers in giving proper advertising for the event.

It is to be the first event of its kind ever held in Cameron and much interest attaches to the program. Many of the pioneer industries here are to be represented in the program of displays and advertising of products. Newer industries now taking rank among the best of their kind are sharing in the limelight of popularity this week.

Primarily the program is to bring to the attention of the people of this section the need for a more loyal cooperation in community development and to ask that favor be shown local industry. By thus discriminating the resources of the community will be better served and growth will be assured.

In this issue of Cameron newspapers will be found a large number of attractive advertisements together with a cooperative publicity that brings to the people here a message of confidence and good will and bespeaks progress and a greater Cameron.

Elsewhere will be found a chart of exhibits to be seen for one week in the show windows of the downtown area.

Business men not engaged in manufacturing have cooperated in this week's program of presenting the merits of Cameron Manufacturers.

The people of Cameron and trade territory should show a fine community, cooperative interest in these industries now making a multitude of meritorious products and bringing wide recognition to Cameron as a growing industrial center.

20 YEAR SENTENCE FOR H. D. THOMPSON

BELL COUNTY MAN CONVICTED IN DISTRICT COURT HERE

The trial of H. D. 'High' Thompson charged with the murder of Carlton Fewell was called for trial Thursday morning and the following jury was selected: Jno. Marak, C. C. McGarity, G. Yeager, W. J. Anderle, W. W. Vinton, Wm. Dittmar, S. E. Scott, Robt. Krause, J. T. Krull, L. G. Tabler, G. W. Roden and Austin Wakaty.

The case went to the jury at nine o'clock Monday night and returned a verdict about nine o'clock Tuesday morning assessing punishment at 20 years in the penitentiary.

In two previous hearings in Bell county district court, the first trial resulted in a verdict for 30 years and the second in a hung jury.

The defense was represented by Walker, Saulesbury, Temple, Leo Curtis, Belton; and Chaiabers and Gillis of Cameron. The State by Henry Taylor, District Attorney of Bell County, Belton; DeWitt Bowmer, Temple; and A. J. Lewis, County Attorney of Milam County, Cameron.

MILK PRODUCTS CO. AID TO FARMERS

BETTER FARM INCOME SEEN
IN GROWTH OF PLANT
HERE

Cameron for several years has had the advantage of a milk plant and a cheese factory in the establishment here of the Cameron Milk Products Company, selling pasteurized milk, cream and butter, and the American Milk Products Company, manufacturing cheese.

Among the industries in Cameron contributing to the impressive exhibits for Manufacturers' Week beginning on March 27 some have done more to bring about increased income on the farms than has the milk plant. Affording a year round cash market for milk the plant here is meeting a very definite need and is bringing prosperity to the farms of this section.

On December 1st of last year the

J. K. Freeman

Cameron, Texas

Farm Loans

Private money to loan at
low interest rate on im-
proved farm lands

plant began the delivery of pasteurized milk in the city, assuring the people of a plentiful supply of milk and making a market for a large potential volume of milk produced and to be produced on the farms of this section. The plant and its managers have taken an active interest in permanent business movements and in every way have encouraged income for the farms.

A standing invitation is made to the people of this section to visit this plant and inspect it. All necessary modern equipment has been installed to insure proper handling of the milk supply and the manufacture of cheese.

Favorable reception of the cheese product from the beginning made the operation of the plant an assured success. The sales have been large and the production is increased each year.

The plant is operated in two divisions, the American Milk Products Company manufacturing and selling cheese and the Cameron Milk Products Company making and selling the pasteurized milk supply and cream and butter. The company maintains a delivery system and homes are being served with this wholesome, pure product.

During Manufacturers' Week the company is cooperating to the fullest extent with the Lion's Club committee in arranging an impressive program to bring manufacturing plants here effectively to the attention of the public. In so doing this plant is serving the community in a large way.

With increased milk production here, the plant will be instrumental in increasing farm income so that in a short time a year round prosperity will be possible and the one crop system and all its evil economic effects will be defeated.

At all times the highest market prices are paid for milk. The industry is destined to be one of the most important in the entire southwest and is deserving in every way of the patronage of the people here.

Better Feeds Are Produced At Mill Of Matyastik Here

Demand for modern methods in feeding poultry and live stock have brought about definite and well defined needs in the preparation of feeds.

In this connection the Matyastik & Sons Feed Mill in Cameron is one of the most important industries to participate in Manufacturers' Week here, beginning on March 27 and ending on April 4.

The feed mill is located on the side of the Matyastik gas plant at Cameron and is equipped with the most modern machinery necessary for preparing feeds for livestock and poultry. It is equipped with electric power and so constructed that it is possible to render the most efficient service.

The feed mill serves a large number of farmers and livestock men, dairymen and poultry raisers of this section. Every popular and necessary variety of feed is turned out at this mill. Farmers and feeders who bring their grains, forage and feed of all kinds from the farms may have it ground as to meet every feeding need.

In addition to the feed mill the Matyastik industries include a modern cotton gin at Cameron and a modern cotton gin at Clarkston.

The company plans to have an exhibit to demonstrate during Manufacturers' Week the kind of feed produced at the mill from raw feeds brought in by the farmers. This exhibit will be of interest and will serve in a large way to bring to the attention of the people of this section the character of industrial advantages maintained in Cameron.

SHERIFF'S SALE

The State of Texas,
County of Milam.

Whereas, on the 6th day of December, A. D., 1930, in a certain cause, numbered 1162 on the docket of the District Court of said county, wherein the State of Texas is plaintiff and Moses Jones and W. E. Montgomery are defendants, the said plaintiff recovered judgment in the amount of one hundred forty-nine and 50/100 dollars for taxes, and legal amount penalties, costs and interests computed thereon, together with the foreclosure of plaintiff's delinquent tax liens upon the property hereinafter described as the property of the defendants, because of non-payment of the taxes due thereon;

And whereas, on the 4th day of March, A. D., 1931, by virtue of the said judgment and the mandates thereof, the Clerk of the District Court of said county did cause to be issued an Order of Sale, commanding me as Sheriff of said County to seize, levy upon and sell in the manner and form as required by law the herein after described property as the property of the above defendants, to satisfy the said judgment.

Wherefore, by virtue of the said Order of Sale and the mandate thereof, I did on the 6th day of March A. D., 1931, seize and levy upon as the property of the above defendants, the following property, to-wit:

All that certain tract or parcel of land, situated in Milam County, Texas, and being described as follows:

First Tract: All that certain lot tract or parcel of land in Miguel Davilla 11 League grant in Milam County Texas, and being a part of a 1300 acre tract out of said grant conveyed by H. J. Chamberlain and wife to T. F. Fowler and brother by deed dated January 3rd, 1873, and recorded in Book 'C' page 352 of Milam County Deed Records, to which deed and record thereof, reference is here made the tract of land herein conveyed being more particularly described by metes and bounds as follows, to-wit:

Beginning at the N. E. cor. of said 1300 acre tract, a stk. at the intersection of the East line of said 1300 acres with the fence on South line of road, thence with said east line of said 1300 acre tract S. 20 W. 491.8 vrs. to the S. E. cor. of this tract, thence N. 70 W. 1219 vrs. to the S. W. cor. of this tract; thence N. 19 E. 491.8 vrs. to the N. W. cor. of this tract in the North boundary line of said 1300 acre tract, thence S. 70 E. 1228.45 vrs. to the place of beginning, containing 106.58 acres of land.

Second Tract: Being all that certain lot, tract or parcel of land situated in the Miguel Davilla 11 League grant in Milam County, Texas, and is a part of the 1300 acre tract out of said grant in Milam County, Texas, conveyed by H. J. Chamberlain and wife to T. F. Fowler and brother by deed dated January 3rd, 1873, and recorded in Vol. 'C' at page 352 of the Milam County Deed Records, to which deed and the record thereof, reference is here made, the property herein conveyed being more particularly described by metes and bounds as follows, to-wit: beginning in the East boundary line of said 1300 acre

tract at 491.8 vrs. S. 20 W. from the N. E. cor. of said 1300 acre tract and being at the S. E. cor. of the 106.58 acres conveyed by T. F. Fowler and wife, Guisela J. Fowler, to F. W. Moore by deed dated September 4th, 1901, and recorded in Book 106, page 278 of the Milam County Deed Records, for beginning point in the description of this tract, thence S. 20 W. with the East boundary line of said 1300 acre tract 491.8 vrs. to the S. E. cor. of this tract herein conveyed, thence N. 20 E. 491.8 vrs. to the N. W. cor. of this tract herein conveyed, which is also the S. W. cor. of that tract of 106.58 acres conveyed by T. F. Fowler and wife, Guisela Fowler to F. W. Moore by deed dated September 4th, 1901, recorded in Book 106, page 278, thence S. 70 E. 1228 vrs. to the place of beginning containing 106.58 acres of land and being the same property described in a deed recorded in Vol. 134, page 264, Deed Records of Milam County, Texas, which is made a part hereof for further description.

And I will on the first Tuesday in the month of April A. D., 1931, the same being the 7th day of said month, proceed to sell said property at the Court House door of said county, in the city of Cameron between the hours of 2 o'clock p. m. and 4 o'clock p. m., to the highest bidder for cash all the right, title and interest of the above defendants, in and to the above described property; subject, however, to the rights of the defendants, to redeem same in the time and manner provided for by law, and subject to the further rights of the defendants to have said property divided and sold in less divisions than the whole. And in event there are no bidders, said property will at said sale be bid off to the State.

L. L. BLAYLOCK, Sheriff.

Milam County, Texas.

By Will Vaughan, Deputy.

Cameron, Texas, March 9th, A. D., 1931. 47-30c

NOTICE OF SALE OF REAL ESTATE BY RECEIVER

By virtue of the order and judgment of the Honorable District Court of Milam County, Texas, in consolidated causes No. 10,288 and 10,411, on the docket of said court, styled W. J. Stigall, et al., vs. H. H. Stigall, et al., made and entered on the 12th day of November, 1930, as fully appears from said original judgment and decree, now of record in the Civil Minutes of said court in Vol. K, page 616 to 622, to which said decree reference is here made, the undersigned S. M. Burns was duly appointed receiver to sell the land described in said judgment for partition among the respective owners thereof as found and established by the decree of said court and the interest of all of which said parties is fully set out and defined in said judgment and which said judgment directs this receiver to sell the same as at Sheriff's Sale, under execution for cash.

Now, therefore, I, S. M. Burns, receiver aforesaid, do hereby give notice that I will, on the first Tuesday in April, 1931, the same being the 7th day of April, 1931, proceed to sell the hereinafter described tract of land at public vendue for cash and that I will sell all of the right, title interest and claim therein and thereto of the respective persons, to-wit:

W. J. Stigall, Mrs. Gertie Sharp, Mrs. Allie Cummings, Mrs. Eliza M. Surber, Mrs. Hattie Sides, C. C. Stigall, J. E. Stigall, H. H. Stigall, Bessie Stigall, Jim B. Stigall, T. V. Stigall and Thorndale Mercantile Company, being all the plaintiffs, cross-plaintiffs, defendants and interveners in said consolidated suits, and I have levied upon and will sell said property in accordance with the directions of said decree.

The same being a tract of 80 6-10 acres out of the Chas. Fokes (Abigail Fokes) survey in Milam County, Texas, located in the County of Milam and State of Texas, and known as part of the old J. J. Stigall homestead tract and about two miles West of the village of San Gabriel in Milam County, Texas, and being off of the Eastern portion of said old 214 acre homestead tract, lying in a parallelogram about 200 vrs. wide on the North end and practically the same on the South end, which is along a slough which slough is just South of the San Gabriel and Lane Port public road.

I will, on the said first Tuesday in April, 1931, the same being the 7th day of April 1931, between the hours of ten o'clock A. M. and 4 o'clock P. M. on said day at the court house door of said county in Cameron, Texas, offer for sale, and sell at public auction for cash all of the right, title and interest of all the said parties hereinbefore named in and to said property and I will execute a deed to the purchaser in accordance with and under the directions of the Honorable District Court of Milam County, Texas, in said cause above

mentioned when said sale shall have been approved by said court.

In Testimony Whereof, witness my hand this 4th day of March, A. D., 1931.

S. M. BURNS, Receiver

Posey's Bakery Is Valued Industry For City of Cameron

Local industry is the basis for growth of every town and community and no industry in Cameron is more thoroughly identified with the progress of the community or has contributed more in its sphere of usefulness than Posey's Model Bakery.

During Manufacturers' Week especial attention is called to the merits of this plant, established in Cameron several years ago and since has kept pace with the progress of the community and has served each year an increasing number of patrons.

This deserving industry has a rightful claim to the patronage of the people here because it is a home bakery and supports the community in which it thrives. The products manufactured by Posey's Model Bakery have been popular with the people of this section for many years and their quality has increased the favor with which the industry has grown in the estimate of the people.

Posey's Model Bakery is equipped with every modern device for the service it renders in making quality breads and pastry. The business has always added such equipment as

needed to keep pace with modern demands and is thus able to meet the growing demand for its products.

The bakery has at all times maintained a high standard of quality in its bread and has never lowered the quality to meet cheap competition. It is on this method of doing business that it has built up a trade and confidence among the people.

The exhibit of the Bakery during Manufacturers' Week will be of interest to the people of this section.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of

Dr. J. C. Fletcher

just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself!

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Laxative Syrup. It is pleasant. It contains Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Dr. J. C. Fletcher

In Use For Over 30 Years

The Kind You Have Always Bought

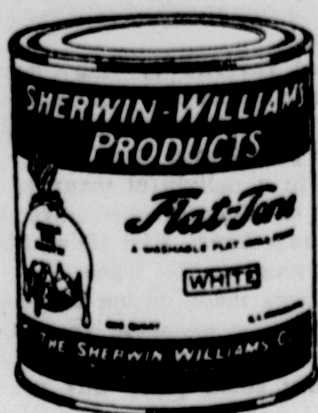

THE CASTORIA COMPANY, NEW YORK CITY.

IT IS PAINT TIME

And Paint Has Declined in Price back to the 1917 Level.

We sell Sherwin-Williams Paints and Varnishes because it is the best line of Paints and Varnishes made.

Some people think that Sherwin-Williams house paint (on account of its quality) costs more per gallon. THAT IS NOT SO, as a matter of fact, S. W. P. is the least expensive house paint on the wall on the market, and here is why:

An average gallon of S. W. P. will properly beautify and protect 360 square feet of your house—two coats. The best you get from the so-called average paint is a meager 200 to 250 square feet—two coats. And remember this: It costs no more to put on good paint than to put on cheap paint.

Once your house has been painted with S. W. P. your saving has only begun. A beautiful S. W. P. job outlasts any cheap paint by years.

Use Sherwin-Williams Paints and Varnishes—You will get what you pay for.

F. J. Beckerman Is Operating Valued Industry Here

Rendering a service that is characteristic of the advantages to be had in Cameron the F. J. Beckerman leather goods store is making a fine contribution to Manufacturer's Week to be observed here beginning March 27.

From this essential industry thousands of people in this section are served in their use of all kinds of leather goods. The equipment of the Beckerman industry in Cameron is the best to be found anywhere in this section and the products manufactured are second to none. This business has been a large annual factor in the industrial life of the community and its service each year has helped in a large way to extend Cameron's trade volume.

Mr. Beckerman will have an attractive display during Manufacturer's Week and is cooperating in every

way with the committee in charge of the program.

The plant is an indispensable unit of industry for the community and affords a service to farmers and users of leather goods that supplies abundantly every need in this line. Leather is manufactured into the finished products and leather goods are sold in retail and wholesale volume.

In addition to the manufacture of all kinds of leather goods products Mr. Beckerman maintains an electric shoe shop with every modern equipment and his auto top work has drawn a large annual patronage to the store.

The stocks of this store are always large and complete for the retail trade and articles needed are manufactured on order by expert workmen who have helped to make this industry one of the most valuable in this section of the state.

Buckholts

Mr. and Mrs. L. T. Lewis, son, L. T. Jr., Floris and Hickman Lewis of Fort Worth were guests of relatives here Sunday.

Misses Mattie Kate Fikes and Virginia Houston of Granger spent several days of the past week with Mrs. W. G. Bain and family.

Mrs. T. V. Adams and daughter, Miss Jean visited with friends in Cameron Wednesday.

J. R. Slovacek was a business visitor in Cameron Thursday.

Mr. and Mrs. H. H. Hartsfield of Maysfield were guests of Mr. and Mrs. E. E. Phillips Thursday.

Mr. and Mrs. Dolphus Dabney of Rogers visited with Mr. and Mrs. R. Dabney and family Thursday evening.

Stewart Hartsfield was a Buckholts visitor Thursday.

Mr. and Mrs. Elmar Horstmann, son, Buddie and Mrs. E. E. Phillips, while enroute to San Antonio to spend the week end stopped at San Marcos for a brief visit with Mr. and Mrs. A. W. Mowdy and daughters, former Buckholts residents.

Rev. and Mrs. W. P. Elliott daughters, Mattie Baucum and Mary Frances were Temple visitors Saturday.

Mrs. Ed Kolba visited with relatives in Rockdale the past week.

Sam Mewhinney Jr., has been ill the past few days.

Walter Smith of Ben Arnold spent the week end in the J. M. Mitcham home.

Albert McKay of Belton made a brief visit with relatives here Friday.

Mr. and Mrs. Alex Groppell were guests of relatives at Branchville the week end.

Favoring a St. Patrick's motif, the party was pretty when Mrs. E. B. Hyer entertained her bridge club

at her home Wednesday afternoon. For decorations, white snapdragons, iris and petunias were used in profusion. The white and green color scheme still prevailed in game accessories, the three bridge tables covers were of green, small green and white baskets with the 'three leaves of Shamrock' held white mints. The guests other than club members were W. G. Bain, Cecil Criswell and Ed Kolba. The guest award, a linen handkerchief, for high cut went to Mrs. Cecil Criswell, while high score was made by Mrs. B. M. McMillian, a club member. As games concluded the guests were served chicken salad, olive sandwiches, tea, green jello (with fruit), white cake with green icing, from trays centered with small vases filled with white flowers.

Mr. and Mrs. Chas. Tomasek and children of Ocker visited with relatives here Sunday.

Mr. and Mrs. E. B. Hyer accompanied by Mr. and Mrs. J. M. Mitcham went to El Paso Tuesday where Mr. and Mrs. Hyer will attend the Harvester Insurance Convention while Mr. and Mrs. Mitcham will visit with relatives in the city.

Mr. and Mrs. David Mayfield of Navasota were Buckholts visitors on Saturday.

Mr. and Mrs. T. F. Criswell and sons, Ralph and Raleigh visited with friends and relatives here Sunday.

Abb Chick of Wichita Falls was a guest of Mr. and Mrs. Henry Garlich Thursday.

Mr. and Mrs. T. V. Adams and Miss Jean were guests of Mr. and Mrs. I. O. Hughes Sunday evening.

Mr. and Mrs. Oscar Patillo of Cameron visited with relatives here on Sunday.

Mrs. C. P. McGregor, daughter, Patricia, Mrs. W. C. Ford, Mrs. Owensby and daughter were guests in the H. N. Harris home Thursday night.

Mrs. Nettie Stephens and daughter of Temple accompanied by Mrs. Dr. Hunt and daughter of Rogers visited with Mrs. J. M. Corley Monday.

Marvin Slovacek of Texas University spent the week end with his parents Mr. and Mrs. J. R. Slovacek.

A large crowd assembled at the high school auditorium Friday night to see the three act play, 'A Fight for a Fortune.' Characters for the play were as follows:

Philip Morningside, Billie Robinson, Mrs. Morningside, Ollie Ezzell, Paul Marvel, Vernon Bain, Mooney, Lawrence Zelisco, Peter Martain, L. A. Patillo, Pierre Marquette, Anthony Cecil, Major Mumford, Thomas Everett, Mrs. Mumford, Mary Sefcik, Phoebe Martingale, Maxine Hyer, Patrice Mumford, Avanel Mitcham, Pansy, Olga Krall, Patience, Mattie Vernon, Amy, Aleta Lehmann, Alice, Lucile Hill, Angela, Virginia Ezzell. The play was well rendered and

was thoroughly enjoyed by all present.

Mr. and Mrs. E. H. Geistman spent Sunday in Austin with her daughter, Miss Adeline, who is a student in Texas University.

Mr. and Mrs. Hightower and baby, Pampa, are guests of Mr. and Mrs. Chas. Tomasek.

Cameron Hatchery Big Aid To Better Poultry Raising

With the growth of the important poultry industry as a means of bringing to the farms a more balanced income, the necessity for centrally located and well equipped hatcheries has been met in a most splendid and definite way in Cameron.

One of the fine industries here is the Cameron Hatchery owned and operated by Hornung Brothers. This Hatchery is a 50,000 egg capacity plant and was established here in 1929 to meet the needs for more chicks on the farms.

During Manufacturer's Week the Hatchery will have a display to bring to the attention of the people of this section the work of the industry and to emphasize Cameron's advantages as a manufacturing and distributing center.

Commercial hatching is thus done on a large scale, giving the farmers and poultry raisers the advantages of good chickens hatched under proper conditions and at prices that make poultry raising a profitable business here.

Each year Cameron enjoys a larger trade volume as a result of the raising of more and better poultry and the Cameron Hatchery is doing its full share of service in making this possible.

EPISCOPAL CHURCH

Sunday, March 29

Morning Prayer and Sermon at 11 o'clock.

Sunday school at 9:45 a. m.

Lenten services Tuesdays at 10 a. m. and Fridays at 7:30 p. m.

W. D. Bigbee is suffering from an attack of flu this week, but is reported better.

MRS. E. J. McQUARY

Miss Eliza Jane McQuary, age 70 years died Thursday, March 18, at 9:45 o'clock at the family residence at Friendship.

Deceased is survived by two sisters, Misses Annie and Fannie McQuary, and one brother, W. E. McQuary, all of Friendship.

Deceased was a member of the Methodist church, had been for sixty years; had lived a devoted Christian life, ever ready to do something for Master; was widely known and much loved for her kindly Christian acts, and will be sadly missed by a large circle of friends as well as by her devoted sisters and brother.

Funeral services were held at the Methodist church at Friendship on Thursday afternoon at 4:30 by Rev. Cecil, pastor of Methodist church at Buckholts. Burial was made in the Friendship cemetery; funeral activities conducted by C. N. Green Bros., undertaking parlor.

Misses Johnnie Lee Baker and Lila Juanita Baker, of Dallas have been house guests of their aunt, Mrs. John Owensby.

Miss Bess DuBois Becomes Bride of W. S. Barron In Beautiful, Quiet, Home Wedding In Cameron

Of outstanding interest in the social calendar of this week was the marriage of Miss Bess DuBois to Hon. W. S. Barron of Bryan, which took place at three o'clock p. m., at the attractive colonial home of the bride's parents, Mr. and Mrs. John Hugh DuBois, 210 West 19th Street.

The home was in beautiful floral adornment; the color scheme being white and orchid; chosen flowers were bridal wreath, orchid lilacs, purple iris and graceful orchid wisteria clusters. The entire reception suite was thrown into one room, where the chosen flowers were artistically arranged in floor baskets, vases and wall pockets. An improvised altar before the large mirrored mantel was the attractive setting where the happy couple took their marriage vows. Bridal wreath banked the mirror, with tall graduated height floor baskets at either side, filled with chosen flowers. Handsome sword fern in jardiniere formed a floor background. Lighted orchid candles shed their beams from the flowers on mantle, and hooded lamps gave light to the darkened rooms. The dining room was in a pretty setting. Handsome imported lace covers were used on table and buffet where rested large bowls of bridal wreath with the orchid wisteria.

Mrs. Wilson Gunn, sister of the bride, presided at the piano and gave the wedding music, using Lohengrin's Wedding March. The male quartette of the First Baptist church sang 'Loves Old Sweet Song,' by Molly Fearis.

The happy couple came down the

stairway together, through the dining room preceded by little Waybourn Wilson Gunn, nephew of the bride, who bore the wedding ring on a silver tray and took their stand before the mantle, and were met by Rev. R. S. Holloman, pastor of College Avenue Baptist church at Bryan, who read the beautiful and impressive ring ceremony, uniting the couple as one.

The bride is the cultured, popular daughter of Mr. and Mrs. J. H. DuBois, is a native of Texas; received her B. A. Degree at Baylor University, Waco, and has many friends over the state who are interested in her wedding. She has been identified with social, civic and religious interests of Cameron. While in college was associated with official college publications, and for the past three years has been society editor for the Cameron Herald; is a member of a number of social clubs and organizations here, who regret to give her up.

The bride was stylishly gowned in a going away suit of navy with egg shell blouse with gloves to match; wore a close fitting spring hat and shoes of dark blue, and a corsage of sweet peas in pink and orchid gave a touch of spring beauty.

The groom is a well known attorney of Bryan, and was formerly speaker of the House of Representatives in the Texas Legislature, and is known as a brilliant statesman and has been accorded places of distinction over the state, and many friends are interested in this marriage which has united two old and well known families.

Only relatives and a few close

friends of the contracting parties were invited to the wedding.

At the close of the wedding ceremony guests were served fruit punch in an attractively decorated corner at the entrance of the vestibule.

Many beautiful wedding gifts were on display in the reception rooms.

The newly weds left by motor for a few days wedding trip, after which they will be at home to friends in Bryan.

Out of town guests were John M. Barron, father of the groom; Mr. and Mrs. Wm. E. Barron of Iowa, brother and sister of the groom; Mrs. Guy Harris of Bryan; Mrs. Edgar Bullock, Houston; Jno. M. Barron, Miss Genevieve Barron and Master W. S. Barron, Jr., children of the groom; Mr. and Mrs. A. S. Ware, Allie Ruth Ware, Mrs. Mills Walker, Miss Maurine Neeley, niece of the groom, J. B. Pierson and J. T. Bishop, all of Bryan.

MISS ATKINSON HOSTESS TO FIFTH GRADE PUPILS

The Y section of the Fifth grade of the Ada Henderson school enjoyed a Trip Around the World party on Friday evening, Miss Katherine Atkinson, one of the teachers, conducting the affair.

Some sixty pupils gathered at the home of Mr. and Mrs. Ben Atkinson where coaches were provided for all passengers enroute with proper chaparrones. There were two sections, all leaving on time. Their tickets read for Japan first. They made a safe journey and were met by a lady dressed in Japanese costume holding a picturesque Japanese parasol over her and were invited in. Their hostess proved to be Mrs. Bob Terry. Her home was in beautiful attire carrying out the Japanese motif. She gave them a welcome and a quiz on Japanese customs, dress, flowers and historical events and had them seated and served cookies and ice tea.

From Japan the tourists started for Switzerland, at the home of Mrs. S. E. Brodgon. This home was attractively decorated with bridal wreath and purple lilacs in baskets vases and flags of Switzerland. Swiss cheese sandwiches with a drink were served the tourists. From here they went to France which was at the home of Mr. and Mrs. John Ryan. Purple iris and wisteria lent charm to this home. The hostess served grape juice and cake. After enjoying France the passengers left for Ireland at the home of Mr. and Mrs. Leo Wilkerson. Four leaf clover, shamrocks, white and green festoons gave a gala attraction for Ireland's guests who seemed to enter into real Irish sport and a number of Irish jokes were pulled while being served from small tables covered with pretty green covers, consisting of potato chips, cakes embossed in green and a green drink. Miss Iva Wilson and Katherine Lovick, presided over the guest book where travelers registered their names and destination.

Mexico with its quaint and attractive decorations, interested the travelers next. Cactus, red Indian blankets and other spring flowers lent floral charm. Mrs. W. L. Wilson was hostess for this country and regaled her guests with chili and crackers.

Mrs. Lucile Pope's home attractively represented China. A typical Chinatown greeted the travelers who by this time were travel worn but were refreshed with spaghetti served with chop sticks, hot tea and cakes.

When 'All Aboard' was heard for return to America a merry group boarded their coaches for the home of Mr. and Mrs. Rush Thomas, here they were greeted with a real American welcome. Large, small and miniature flags were in evidence at vantage points and American Beauty roses gave a pretty floral setting to the rooms given over to the tourists. Little Patsie Lyons, quaintly dressed told fortunes in the Chinese style, and from crystal balls. Opposite to the little Chinese fortune teller sat a gypsy fortune teller who read their palms, creating much interest among the travelers. Delicious American fruit punch was served here.

EASTERN STAR

The Order Eastern Star held its regular monthly meeting Tuesday evening at Masonic Temple with Mrs. W. E. Kuehl, Worthy Matron and Judge Jeff T. Kemp, Worthy Patron, presiding.

Mrs. Lois Anderson, of Calvert, Deputy Grand Matron of this district, was present and gave instructions in the work of the Order; and complimented the officers who initiated Mesdames Niley Smith and Vernon Roberts into the secret works of the order.

At the close of the initiation service Miss Delphya Scott, in the name of the chapter, presented a lovely arm bouquet of flowers to the Grand Deputy Matron, who responded with well chosen words of thanks.

A delightful program was given during the social hour. Price Cross,

and has been heard over radio a general favorite with music lovers number of times, favored the audience with a beautiful voice number and responded to a hearty encore several times. Mr. Cross completely won the hearts of his hearers. Mrs. W. B. Levy, regular organist for the chapter, accompanied Mr. Cross on the piano.

Another favorite of the public, Miss Patsie McGregor, dressed in costume of a small laboring boy, rendered a pianologue, 'I've Got the Mumps,' in a delightful manner, responding to an encore and gave 'It's Hard to be a Boy.' Miss Helen Flinn accompanying on the piano.

Talks were made during the evening by visiting members from Calvert.

A dainty salad plate was served with fruit punch at the close of the evening.

The following visitors were present from Calvert: Mrs. Lois Anderson, D. G. M. of this district; Mr. and Mrs. F. Smith; Mr. and Mrs. F. Criswell, Mr. and Mrs. Jack Gynes, Miss Dee McMordy. Mrs. John S. Owens of Brownwood chapter and Mesdames J. E. Love of Milano and S. Houston of North Elm, were out of town members present.

BIBLE CLASS

The Friendly Bible Class of the Methodist Sunday school met Friday afternoon with Group Two as hostess in the home of Mrs. Lee Clore. The reception rooms were beautifully decorated with spring flowers which were seen in baskets and vases at attractive points.

The president, Mrs. Roy Griffith, presided over the program assisted by Group leader, Mrs. Henry Dryer.

The following program was rendered during the afternoon:

Sacred music on Edison.

Devotional.

Sacred music on Edison.

Recitation by Mary Ellen Cottle.

Recitation by Virginia Lindell.

Recitation by Virginia Freeman.

Next was a game to cut out 'good luck' emblems, the winning side was headed by Mrs. W. A. Bonds. A good luck hunt was enjoyed where each lady received a decorated 'good luck' pulley bone tied with green and white ribbons, colors chosen for the party.

The numbers most enjoyed was the two solos given by Mrs. Clore's small daughter, Eleanor Louise and Bancha Dunlap, small daughter of Mrs. F. R. Dunlap.

During the business session Mrs. Julian Baskin was elected assistant secretary and Mrs. J. L. Clinton, as assistant pianist.

Members of group two brought offerings to be given to needy families. This was a very enjoyable occasion and guests were dismissed with the class benediction.

INSTITUTE AT MARLIN

The following people from Cameron attended the semi-annual district institute of the senior and high League of the Methodist church held at Marlin Saturday and Sunday, March 21 and 22: Mr. and Mrs. J. M. McLean, Mr. and Mrs. E. C. Cole, Mr. and Mrs. Owen Weems, Mr. and Mrs. Henry Dryer, Miss Frankie Slaughter, Miss Julia Mae McCollum, Mr. and Mrs. August Horstmann, James McLean, Louise McLean, Joe McLean, Clyde Greenless, Harvey Radtke, Dell Horstmann, Gwayne Shipp, Allen Horstmann, Neil Horstmann, Nona Weems, Richard Butcher, Shirley McLean Buster Wilson, Billie Slaughter, Alice Rylander, Nelta Dierr, Virginia Weems, Ann Graham Helen Dierr, Frank Adams, Carolyn Cheeves, Maidie Watson, Gladys Kinard, Carol Green, Roy Baskin and Ray Burke.

The Marlin Leaguers served supper Saturday evening at 6:30 in the Sunday school annex at Marlin. At 7:30 the presiding elder Rev. Ingram held services. After services there was a party for the young people. The program lasted throughout the day Sunday.

The Institute will meet in Cameron during the month of September.

HISTORY CLUB

Spring flowers seemed to have made their entrance at the home of Mrs. E. A. Flinn when her daughter Miss Catherine Flinn entertained the History Club Tuesday afternoon. Redbud, purple lilacs and many spring flowers were seen at vantage points.

Mrs. Wm. Henderson was leader and gave a review of the book 'Dr. Scroogold,' by Helen Ashton. Roll call was answered by different subjects that had previously been assigned to members.

Mrs. Graham Gillis, substituting for Mrs. W. O. Triggs, who could not be present, discussed two articles, 'Unjust School Laws,' and 'Mexico's Little Red School House.'

Guests other than members of the

Drug Needs---

"In my youth," said the sage as he shook his grey locks, "I kept my limbs very supple by the use of this ointment—one shilling the box—allow me to sell you a couple?"

Old Father William had nothing on us, however. We offer not one ointment but scores of standard remedies for every conceivable need. At this time we suggest nationally known Spring Tonics.

CAMERON

club present were Mrs. E. A. Flinn, Mrs. Bertha Brewer and Miss Helen Flinn.

AS YOU LIKE IT CLUB

Beautiful spring flowers were used in the reception rooms when the As You Like It Club met with Mrs. R. H. McIntosh, which added beauty to this already attractive home.

The ladies brought their needle work and enjoyed pleasant conversation and stories.

As no refreshments are served at this club, instead donate to the United Charities, amusing 'fake refreshments' proved a pleasing feature of diversion.

Beside club members there were present Mrs. Bertha Brewer, Mrs. T. S. Henderson and Mrs. Oxshear Smith.

FEDERATED SOCIETIES

The first quarterly meeting of the Federated Missionary Societies will be held on Tuesday March 31 at 3:30 p. m. in the Presbyterian church.

The following program will be given:

Hymn.

Devotional service.

Vocal solo, Mrs. Thad Epperson.

Discussion of Missionary Work carried on by the Negro Race.

Hymn.

Business session, Mrs. J. P. Love presiding.

Announcements.

Benediction.

DANCE

Mrs. John Ownsby entertained Saturday evening with a dance, honoring her nieces, Misses Johnnie Lee Baker and Lila Juanita Baker of Dallas who were pleasant house guests in her apartment at the Gussie McGregor apartments on East Eleventh Street.

Delicious fruit punch was served between dances to the following guests: Misses Maidie Watson, Patsie McGregor, Laurin Nairn, Patsie Lyons, Billie Moore, Verna Beth Beard, Henriem Hefley, Beulah Collier, Amelia Freeman, Julian Freeman, John Watson, Jr., Leslie Mohler, Ray Burke, Giles Avriett, John Atkinson, Martin Manning, Freeman Slocumb and John Wallace.

CHRISTIAN AID

Ladies of the Christian Aid Society met in the home of Mrs. Alice Brashear Monday afternoon and did quilting. They also packed cookies to be sent to the orphans home at Dallas.

WEDNESDAY BRIDGE CLUB

The attractive home of Mrs. Geo. Graves was in pretty floral attire when she entertained the Wednesday Bridge Club.

Three tables of club members enjoyed this environment. Score cards and accessories gave added touch of color and many games helped to pass the time away only too quickly.

PRESBYTERIAN AUXILIARY

Ladies of the Presbyterian Auxiliary held a business session at the church Monday afternoon at 3:30 o'clock. Mrs. George Cay, president presiding.

BAPTIST W. M. S.

Royal Service lessons were enjoyed by the ladies of the Baptist W. M. S. Monday afternoon.

The Eunice Taylor Glass Circle met

with Mrs. E. M. Casey with fourteen members present. Mrs. R. G. Grabbein led the lesson.

Lily Mae Hundley Circle had as hostess Mrs. Mattie Shepherd with 9 present. Lesson was led by Mrs. P. Graves.

The Lottie Moon Circle met in the home of Mrs. Tracy Hobson. There were nine members in attendance. Mrs. Grady Cooper was leader for the lesson.

Next Monday being fifth Monday all ladies of the church are invited to attend a social at the annex at three o'clock in the afternoon.

Kunz Planing Mill Is Big Factor In Community Here

Faith and the vision of an industry that would meet a definite need in the community as well as return profits to its owner brought about the establishment here some years ago of the A. G. Kunz Planing Mill.

Mr. Kunz, an expert workman in woods of all kinds purchased the old Redfield Mill and shortly thereafter added much needed equipment and from time to time has made improvements until today it is one of the best equipped wood mills in this section of Texas. Not only is this mill serving a definite need in the community through its manufactured products and service in wood work, but Mr. Kunz has made a financial success of the plant and today is enjoying a large volume of trade.

During Manufacturer's Week Mr. Kunz plans an exhibit to show the ability and extent of products turned at the mill. This exhibit will contribute in a large way to the success of the program to impress the people with the products manufactured in Cameron by her various industries.

Mr. Kunz serves a multitude of interests. He manufactures truck bodies and does all kinds of repair work of this nature. He makes door and window frames and does all kinds of planing work necessary for house construction and in addition makes on order a multitude of special products from wood. He has in time made a large number of cedar chests and kindred work and makes and remakes furniture and in fact everything in the wood work line. Mill and cabinet work is done and fender work is done.

Mr. Kunz invites your attention to his industry which has done much to give Cameron greater advantages. It was his foresight and vision that made it possible and made it a paying industry so much so that today it takes high rank among the important business institutions of the city.

CARD OF THANKS

We wish to express our sincere thanks and appreciation for the many deeds of kindness and expressions of sympathy extended to us during our recent sorrow. We thank those who gave us flowers and all who in any way assisted us.

Coca Cola Company Is Big Asset To City Of Cameron

Ye Portrait Shoppe owned and operated by Miss Annie McLane is lending its cooperation to observance of Manufacturer's Week by advertising its products and arranging a suitable display at its studios.

Good photographs have always been a matter of policy with Ye Portrait Shoppe. Miss McLane specializes in tinting and her work as a photographer has been widely accepted over the state.

In the program of Manufacturer's Week to be observed from March 27 to April 6 Miss McLane will make a fine contribution to the exhibits by displaying the character of work produced in her studios.

Photography today occupies a very important place in the life of the community and Ye Portrait Shoppe is meeting every demand placed upon the business for better photography and a service that the city and ter-

ritory fully appreciates.

The public is invited to the studio to see at first hand the methods used in producing photographs. Miss McLane offers the fine suggestion that photographs make fine Easter gifts.

She has been engaged in this business for a number of years and has attained a degree of efficiency that meets the exacting demands of modern time photography.

Ye Portrait Shoppe Valued Asset To City Of Cameron

The Coca Cola Bottling Company of Cameron, owned and operated by the Akers Brothers, is one of the most modern bottling plants in Texas and in point of service and distribution of products takes high rank among the larger industries of the city.

The company is cooperating in the observance of Manufacturer's Week and will have an exhibit to show the products made at this great, modern plant. The exhibit will add much to the success of the program which is to begin on March 27 and end April 6.

The Coca Cola Bottling Company manufactures and bottles a large number of popular beverages. The equipment in this plant is as modern as can be found anywhere in the industry of which it is a part. The operation of this plant, the bottling of the drinks are carried along the most modern methods of approved sanitation and at all times the owners invite you to visit the plant and to observe at first hand the fine methods used in bottling your favorite drinks.

The company has made a very large contribution to the business interests of the city and is an industry of which the entire city is proud. The company last year moved into their new quarters in their own building, a modern, specially con-

structed building for this business.

Messrs. Akers invite you to their plant and to view the exhibit which they will have to assist in the program of bringing to the attention of the people Cameron made products.

Vinyard Hill Home H. B. Pressley From Local Petrified Wood

Mr. and Mrs. H. B. Pressley who live on a fine estate called Vinyard Hill, are building a beautiful home on the site of their old home, which is near Hoyte. This will be a unique and attractive place.

Last November Mr. Pressley began the collection of petrified rocks from his vast estate and from other lands near by which will be used exclusively in the building of the home. It will be a nine room house with a basement, bath and a large Southern colonial style porch fronting East and south, 10 by 26 feet. The home will be fitted with gas pipes and plugs so that when gas comes near he will be able to get connections. There will be a Delco Light plant for immediate use. Southern chimneys will add a touch to the home. Large petrified trees will form three long columns and three half columns of rock that will complete the front of the porch. Numerous rocks have been split where the heart of the trees have formed scintillating rays in beautiful colors that will be used on the interior of the house in the construction of the mantles and book cases.

The interior of the home will be plastered and papered and woodwork will be in ivory and gray. A modern wind mill will supply the home with water from a deep well. The foundation is about completed and work on main building will be rushed and they expect to complete it for summer occupancy.

Quite a coincident is connected with the construction of the home: Roy Lane, is architect; Roy Jeter of Jeter Lumber Company is furnishing the lumber; Roy Weems is contractor for the wood work; Roy English is head of the laying of the stone; and Roy Pressley, son of the landlord, is the gallant water carrier for those employed on the building. It will indeed be a Roy-al Home.

FIRE

Fire broke out when Cameron Fruit Company's truck hit concrete, tearing off part of crank case. Arthur Story driver, took the Fry Fyter and kept the fire from burning. He will tell you they are good. W. M. Crain, Representative, Cameron. 49-2tp

Presbyterians Will Observe Easter Week In Cameron

The Presbyterian church will hold a series of meetings during Holy Week it was stated by Rev. O. C. Acree, pastor. This is being done in conjunction with the other Protestant churches of the city. Services will be held each night at 7:45. Union services will be held at the Baptist church each morning at ten o'clock, various ministers of the city leading the services.

The Easter theme will be carried out in the Sunday morning services of the Presbyterian church. Mrs. W. T. Hefley will be in charge of the worship service and music. The pastor will deliver the message.

Special music is being planned for the Easter morning worship of the Presbyterian church according to Mrs. W. T. Hefley, director of music of the church.

Order of worship for Sunday's service are:

Sunday school at 9:45.
Morning worship at 11 o'clock.
Junior C. E. Society under Miss Katherine Atkinson at 1:30.
Intermediate Endeavor under Mrs. W. G. Gillis at 6:30.
Evening worship will be at the Baptist church to welcome the recently chosen pastor, Rev. Timmerman.

The Weather

Week Ending March 25, 1931
The following table, prepared by R. A. Tag, local weather man and electrician, Phone 590W, shows the maximum and minimum temperatures of each day and the amount of rain, if any:

	Max.	Min.	Rain
Thursday, March 19.....	83	54	.82
Friday, March 20.....	78	44	
Saturday, March 21.....	74	41	
Sunday, March 22.....	83	42	
Monday, March 23.....	83	46	
Tuesday, March 24.....	80	42	
Wednesday, March 25.....	85	43	.13

CARD OF THANKS

We wish to thank those of our neighbors and friends who rendered assistance to us during the recent illness and death of Mrs. Wm. Blumenthal. We sincerely appreciate the sympathy expressed by words and deeds to make our burden of sorrow less poignant. We thank those who gave flowers and all who in any way assisted us during our hours of great bereavement.

Wm. Blumenthal and Family.

St. Patrick Is Still A Good Irishman

St. Patrick is an Irishman and the Irish citizens of Burlington proved it.

In the last issue of The Herald an account was printed of a baseball game to settle an argument in the community as to whether St. Patrick is German or Irish.

The account failed to give the score. Ray O'Neill was in town on Tuesday and told us the game resulted in a score of 7 to 5 in favor of

the Irish. The Irish always win in Burlington and St. Patrick was an Irishman, but the argument will be unmed next year.

Final Cotton Report Is Made By Albert

There were 55,763 bales of cotton, counting round as half bales, ginned and to be ginned in Milam County, from the crop of 1930 as compared with 39,909 bales from the crop of 1929.

Grover H. Albert, Spec. Agent.

This Woman in 4 Weeks Lost 17 Pounds of Fat

Here's a letter written October 21, 1929, by Mrs. Fred Barringer of Lewiston, Montana, that ought to be read by every overweight woman in America.

Gentlemen: I started taking Kruschen every morning as directed as I was very much overweight and wanted to reduce.

I had tried going on a diet but would get so hungry that my diet would not last long, so I decided to give 'Kruschen Salts' a fair trial. The day I started to take them I weighed 256 pounds and at present, which has been just four weeks, I weigh 239 pounds. And I must say I feel better in every way, besides looking much better.

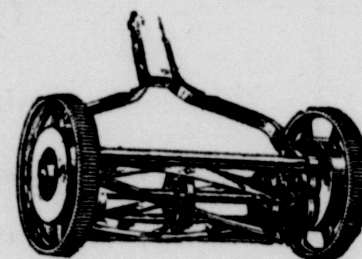

May all large people, both men and women, who want to reduce in an easy way, give Kruschen Salts a fair trial. I am sure it will convince anyone.

A bottle of Kruschen Salts that lasts four weeks costs but 85c at E. O. Schiller's Drug Store or any drug store in America. Take one half teaspoon in a glass of hot water before breakfast every morning. To help reduce swiftly cut out pastry and fatty meats and go light on potatoes, butter, cream and sugar.

The Kruschen way is the safe way to reduce—Try one bottle and if not joyfully satisfied—money back.

WE HAVE MANY BARGAINS FOR YOU

New goods are coming into our furniture store every day. We bought them based on decreased prices and they are in turn sold to you at price levels that are lower than before the war. There has not been a time in many years when dollars would buy so much as at the GREEN BROTHERS STORE in Cameron. Spring time brings needs for many things and we have them here.

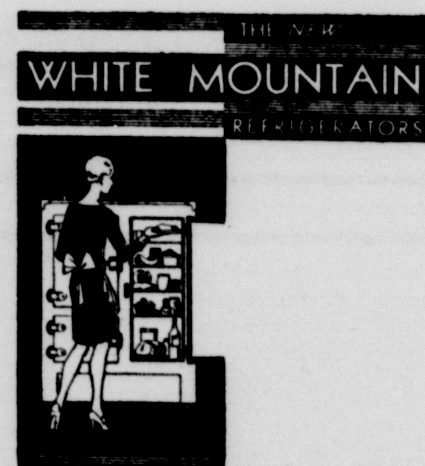

Lawn Mowers—\$7.50 Up

Nothing quite so necessary as a good Lawn Mower if you are to keep your lawn looking pretty thru the spring and summer. See these values.

Curtains At 65c

We have a special price on Window Curtains and these are real values. They are here in all shades and you will greatly appreciate their values.

White Mountain Refrigerators, \$15.00 Up

We have the White Mountain in a wide range of sizes and prices that will suit every home and you should see these to appreciate them.

Sealy Mattress Prices Reduced

Prices formerly \$45.00 on these Mattresses now reduced to **\$32.50**

These are only a few of the many bargains we have for you. You will have to visit our store to appreciate the savings you can make when you buy from this big store

LOCAL AND PERSONAL

Little Miss Lelia Marie Batte, after several days illness in the Cameron hospital is able to be in school again.

Mrs. Lee Batte is a patient in the Cameron hospital.

Mrs. Annie Wood of San Antonio spent several days in the home of Mr. and Mrs. F. A. Marek.

Mr. and Mrs. Ladis Marek and son Ladis Jr., spent Sunday at Meeks.

Mr. and Mrs. F. R. Kolba and Mrs. Sneed and daughter Geraldine of North Elm spent Sunday with Mr. and Mrs. F. A. Marek.

Mrs. B. F. Bonds is representing the Bell Floral Co. of Temple. Phone her your order for pot plants or cut flowers.

Mrs. John Ownsby had as week end guests her parents, Mr. and Mrs. T. M. Baker of Celina and her brother A. W. Baker and family of Dallas.

Miss Sadie Hatfield, District Home Agent for A. & M. College spent Sunday night and Monday night in the home of Judge and Mrs. Jeff T. Kemp.

Mr. and Mrs. Joe Denson and baby, Marjorie Ann, left Monday for Dallas where they will spend a few days and will visit with Mrs. Grace Green and family.

R. B. Rylander Jr., student at Texas Tech College at Lubbock spent a few days here with his parents the last of the week.

Let R. A. Tag put in a base plug or two in your home for convenience sake, Phone 590W.

Andrew Freeman of Texas Tech spent the week end here with his parents, Mr. and Mrs. Andrew Freeman.

Mrs. W. E. Lamb is confined to her bed with a case of flu this week.

Mr. and Mrs. B. P. Hurdle visited a son in Brenham Sunday.

Mr. and Mrs. Verge Woolley paid a visit to relatives in Waco Sunday.

Mr. and Mrs. P. R. Wallace spent Sunday in Austin. They were accompanied by Miss Annie Woolley.

Miss Mable Wade, Bert Nicholson and Bennie Archer visited friends in Brenham Sunday.

Miss Mozelle Bigbee who has been teaching school near Marlow, closed her school Friday on account of insufficient funds. She is spending this week in Waco visiting relatives.

When in need of flowers for any occasion, pot plants, floral offerings, etc., phone Mrs. B. F. Bonds.

Miss Ina Balem of Thorndale, who has been visiting Miss Marguerite Ford, has returned to her home.

Mrs. Guy Chandler visited relatives in Temple last week.

In Saturday's edition of Houston Press in the society column appeared a large size picture of Miss Christine Pope with the following comment: Miss Christine Pope plays an important role in social life at Rice Institute, being a member of the Junior Class and of the Archi-Arts Society. Miss Pope is the daughter of a former resident of Cameron, Mr. and Mrs. Tull Pope. Her father is the son of the late Dr. and Mrs. T. A. Pope of Cameron. Her mother before her marriage was Miss Alys Pipes and made her home here.

Mr. and Mrs. O. M. Page of Los Angeles, California, visited in the home of Mr. and Mrs. Bob Terry while enroute to Arkansas, Missouri and other states for a protracted visit with relatives.

Homer Nabours, popular County Clerk, is on the sick list this week. His wife and two children have just gotten up from a spell of tonsillitis.

The old fashioned square dance at Skeezix last Friday evening, given for the benefit of United Charities, was a success. Guests were there from Temple, Heidenheimer, Rogers, Rockdale, Lilac, Burlington, Rosebud, Cameron and other nearby places.

Mr. and Mrs. J. W. Stitt and children and Mrs. J. B. Collier of Donna have been recent guests of Mr. and Mrs. Bob Terry. Mrs. Collier many years ago was a citizen of Cameron leaving with her husband for west and south Texas where they have made their home for a number of years.

Miss Weiss McDermott, student at Baylor University, was a week end guest of her parent, Mr. and Mrs. Sam McDermott.

Mrs. Annie Bickett of Marlow visited relatives in Cameron Saturday.

Rev. and Mrs. C. A. Lehmborg spent Friday in Bartlett visiting her father, Mr. Hempel. Mr. Hempel is 34 years old and enjoys good health.

Mr. and Mrs. Charles Peyton of Temple visited friends in Cameron Friday afternoon. Mr. Peyton has been on the sick list. Many friends were delighted to welcome them back to Cameron.

Mrs. John Edwards and mother, Mrs. Alexander and Mrs. Lovelace of Taylor motored to Cameron Sunday and were guests of Mrs. John S. Owens. Mrs. Edwards and Mrs. Alexander formerly lived in Cameron and have many friends here.

Mr. and Mrs. L. J. Bowling and grandson, Mike Hickman spent the week end in Beaumont with children.

Miss Adelaide Bickett who has been here for the past two weeks, returned Sunday to Dallas where she has a lucrative position.

Mr. and Mrs. Frank Monroe and family spent Saturday in Waco.

Miss Loraine Wade, student at Blinn College, Brenham, appeared on the program last week when the P. T. A. met at that place. Miss Wade possesses a beautiful soprano voice, and is always received with pleasure. She is a sister of Miss Mable Wade of Cameron and formerly lived here.

Miss Minnie Wohleb spent last week end in Houston visiting her sister, Mrs. Allen McAshan.

Mrs. Flora Showman of Houston, arrived Saturday to spend two months with her daughter, Mrs. H. C. Keith.

Mrs. W. T. Mowdy left Tuesday for a few days visit with her daughter, Mrs. Wiley Mangum in Taylor.

Mrs. Hallie Jones Wofford has as Sunday guests Mr. and Mrs. George Whately of Calvert and her cousins, Mr. and Mrs. T. P. Walker and Mrs. M. M. Campbell of Austin.

Mrs. N. H. Butts spent the week end in Temple visiting her nephew, Will A. Brady, who is confined to his bed with rheumatism.

Jack Walker of State University spent the week end with his parents.

Mrs. John Olson and daughter, Malvina spent the week end in Houston with relatives.

Call 590W for plumbing and electrical work at reasonable prices.

Mrs. H. N. Tate is reported on the sick list this week.

Mrs. Maples and small daughter have been visiting her mother, Mrs. Lula Greenless who has been ill for some time but is now reported to be much improved.

Mrs. G. W. Mennis of Ft. Worth is a guest of her parents, Dr. and Mrs. Tom Denson. Mr. Mennis will join his wife here the last of the week for a few days visit before returning to their home.

Another Cameron girl has been honored. Miss Dinks Baskin, daughter of Mrs. Lena Baskin, who is a student at Southwestern University at Georgetown, has been elected from the Tri-Delta Sorority to represent her sorority at the National Convention which is to be held in Quebec, Canada in the month of June. Miss Dinks will be accompanied by her sister, Miss Clyde Baskin who is also a member of the Tri-Delta.

Mr. and Mrs. Willard Keith are in Brenham this week. Mr. Keith is auditing the books for the branch office of the Cameron Fruit Company.

The Methodist Missionary Society did not hold its usual Monday afternoon meeting this week.

Miss Marguerite Ford is visiting schoolmates in Brownwood this week. Miss Ford formerly attended Howard Payne College there.

Mrs. J. McIntosh of Calvert, district agent for the W. B. A. was in Cameron Tuesday and Wednesday in the interest of the organization.

We are glad to be able to report that S. W. Law, father of Tax Collector Law who has been critically ill for some time is now much improved and on the road to recovery.

Dr. and Mrs. S. R. Cotton spent Tuesday evening in Temple visiting relatives.

Judge Jeff T. Kemp and Giles L. Avriett spent Monday in Austin attending to legal business.

Mrs. T. L. Randolph and friend, Mrs. Armstrong were visitors with friends in Milano Tuesday.

Judge Jeff Kemp in company with Commissioners Hairston and Butts paid a business visit to Milano this week.

W. R. Sharp of Davilla was a business visitor to Cameron Wednesday.

V. O. Wall of Baileyville paid a visit to Cameron the first of the week and was accompanied home by his wife and infant son who had been patients at the hospital.

H. A. Fuchs, County Commissioner from Buckholts was a Cameron visitor Wednesday.

W. B. Levy, Cameron merchant, spent Monday in Bryan.

Mrs. Lizzie Hause, of Rosebud, is visiting Mrs. Tom Randolph this week.

J. W. Garner, attorney of Rockdale transacted business in Cameron Wednesday.

Mrs. S. M. Corley of Buckholts visited relatives and friends in Cameron Wednesday.

Hon. E. A. Camp, attorney of Rockdale spent Tuesday in Cameron looking after legal business.

Charley Terry and LaBertice Robinson paid a business visit to Waco Saturday.

W. H. Triggs and daughter, Mrs. Lena Baskin spent Sunday in Taylor the guests of her son, W. H. Baskin and family.

Elton Cox, of Clarkson, student at Peacock Military Academy was here Saturday.

Have your tin work, plumbing, gas and electrical work done by R. A. Tag. Phone 590W.

George Roden, a well known farmer of Jones Prairie was here Wednesday.

Mr. and Mrs. S. Kestenbaum and Adolph Winfield attended a social function in Marlin Wednesday evening.

Henry Lippman, proprietor of the Lippman Slipper House is in Dallas this week buying merchandise.

The many friends of Mrs. Leo Laake will be glad to know that she is doing nicely. She is in the Dr. Torbitt sanitarium in Marlin where she has been for several weeks. She is expected home within a short time and her friends wish for her a speedy recovery.

Machine Shop Is Serving Wide Area Of The Southwest

Among the exhibits to feature the Manufacturer's Week in Cameron will be the showing of products made in the big plant of the Cameron Machine Shop in Cameron.

This industry is one of the largest of its kind in Texas and its advantages to Cameron is reflected in the large annual volume of business enjoyed and the territory served thus giving to all sections of the country a good impression of the city in which it has grown to impressive proportions. A visit to this plant will reveal many thousands of dollars invested in the most modern equipment possible to obtain. The number and quality of products manufactured in the plant of the Cameron Machine Shop each year make an impressive total and this plant affording emone of the most useful industries in Cameron or anywhere in the Southwest.

The Michalka Brothers several years ago visualized this industry and its service and to them go the credit for helping in a large way to make Cameron a good place to trade and to live in. Each succeeding year has found them adding equipment and serving a larger territory. Among their products is a stalk cutter invented and made in this plant. This product has been distributed and sold over a wide area of the cotton states. They manufacture the two and three row stalk cutters, diamond point shovels and all steel bottler's truck beds.

They are general machinists and blacksmiths. They are equipped for acetylene welding and general automobile repairing. In every way this industry is a valuable asset to Cameron and its personnel is a credit to the city.

Weems Corn Meal Is Popular Food Product Here

Among the products manufactured in Cameron none have been more popular or found a more thorough distribution than Weems Home Ground Meal.

In a plant located near the Weems Electric Gin and other industries this popular food product is made in large quantities. It is made and put up in bags bearing the Weems name and also Cameron and this product is doing much to impress the country at large that quality products are being manufactured in Cameron.

Mr. Weems who has been one of the leading gin plant operators for many years in Cameron established the Weems Mill some years ago. The industry began in a small way with only a quality product made. From these first efforts there ensued enlargements and large distribution until today the product is sold over a large section.

The Weems Mill is equipped with the most modern machinery possible to obtain, thus insuring at all times a full quality standard of corn meal. Cameron housewives have found the meal thoroughly satisfactory in every way. During Manufacturer's Week Mr. Weems will have a display in some of the many Cameron show windows demonstrating this product. He also plans to give away a limited number of small bags of this meal.

In addition to the making of this corn meal Mr. Weems is distributor for Fant's famous flours and enjoys a large annual volume of trade.

CURRIE MISSION SCHOOL HEARS JUDGE W. G. GILLIS

Hon. W. G. Gillis was in charge of the services at the Sunday school mission at Currie last Sunday afternoon. A large crowd was present. Judge Gillis delivered the lay sermon for the occasion and is a splendid leader in the school.

Brief Biographies

No. 11 of a Series

GEN. WM. SHERMAN

He said, 'War is Hell.' Reminds us of a man who once went into this auto repair business. He hadn't much of a reputation, nor much knowledge of the line. And of course his business suffered. But he said it made him realize that there must be a real hell. 'If there isn't?' he used to ask, 'where did my business go?'

HEFLEY-STEDMAN MOTOR CO.
Phone 411
Cameron, Texas

Judge Gillis stated that a change in the time schedule had been made. Sunday school will begin at three o'clock from now on and preaching services immediately afterwards. The Presbyterian Board of Publications made a gift to the Sunday school of a large number of books. Mrs. Tom Turner, Superintendent, stated that the books would be placed in a library accessible to everyone.

LUMBER BARGAINS!

Why Pay Out-of-Town Strangers

\$15.00 to \$17.00 per 1000 feet for lumber you don't see, pay \$5.00 to \$8.00 per 1000 feet drayage, making a total of \$20.00 to \$25.00 per 1000 feet—and have to take from 4000 feet to 5000 feet to make a truck load—when you can get as good or **BETTER LUMBER** from "HOME FOLKS" as cheap or cheaper, get any amount you want from **ONE PIECE TO A CAR LOAD**, and see what you buy before you buy it?

Look at These "BASEMENT BARGAINS"

Boxing	\$2.20 Per 100 Feet
Shiplap	\$2.00 Per 100 Feet
2x4	\$2.10 Per 100 Feet
2x6	\$1.90 Per 100 Feet
1x4	\$1.80 Per 100 Feet

Sure, it is not our best grade, but it is big mill, **LONG LEAF LUMBER**—You certainly would not expect to get an eight cylinder for a four cylinder price—and is good value at these prices.

We have been serving you 38 years; we are identified with this community in every progressive way: Civic, Educational, Commercial and Charitable,—the **MONEY YOU SPEND WITH US** is more or less a partnership investment and we both lose when you don't buy from "HOME FOLKS."

Photographs

We are indeed proud to be included as one of Cameron's Manufacturers as all manufacturers should be we are proud of our product, the photograph in all of its forms.

From the Kodak picture to the finest Portrait we strive at all times to keep up with the times and give Cameron just as good photography as can be had in any city.

Having just evolved a new way of making reproductions of old pictures we solicit your work of this kind feeling sure that we can make anew that old and faded photo that you wish to keep.

Our workrooms are always open to the public, but during Manufacturer's Week in Cameron we will be pleased to explain and show how patrons, who are not familiar with our work, how the photograph is developed.

Photography Attains Real Art; B & B Studio In Exhibit

Photography has ever played an important part in the lives of people and in the life of the community.

Cameron has been fortunate in the maintenance of efficient and well equipped plants for photograph work of all kinds.

In the B. & B. Studio the city may well take pride and the owner and manager Mr. Brady is serving the best interests of the city by maintaining a service of this kind. An expert in his line, Mr. Brady has brought to Cameron much favorable publicity as a result of his work.

During Manufacturer's Week Mr. Brady is cooperating in the exhibits and in the publicity inaugurated to make a favorable presentation of the

merits of Cameron industry. He will have an exhibit in conjunction with other manufacturers that will add much to the success of the program.

Mr. Brady executes a quality of work that has brought to his studio a wide recognition and to Cameron the wholesome publicity of better business institutions.

Mr. Brady invites your attention to the display and the character of work he does in his studio. The exhibit week will be more successful as a result of the cooperation of Mr. Brady.

Mr. Brady is now specializing in reproduction work in connection with copies of old photographs, producing a better class of work than the original.

To those folks not acquainted with the process of photography the offer of the B. & B. Studio in the advertising of this issue to call at their studio and see how some of the work is done will be worth their time because photography is an intensely interesting subject and full appreciation of the craft cannot be had without having seen some of the work done. Mr. Brady has a very completely equipped studio and will be pleased to have anyone call to see him work.

Jones Prairie

JONES PRAIRIE 123456 123456 123456
By MRS. R. K. FONTAINE

Mrs. George Roden spent Thursday with Mrs. J. P. Fontaine, Sr.

Four pupils from the primary grades were absent this week on account of chicken pox and whooping cough.

S. S. Hickman and family spent Sunday at the Spradley home.

Barrett Johnson of New Gulf spent the week end at home.

Several young people of the community enjoyed a party at the McCarty home Friday night.

Will Black was quietly married in Franklin Saturday morning.

Mrs. Rodney K. Fontaine entertained Dr. and Mrs. W. J. Fontaine

and daughter, Bill, Thursday evening to a turkey dinner in honor of both families' wedding anniversary.

Mr. and Mrs. Hope Jamison and son and Miss Louise Jamison of Gulf spent the week end at the Jamison home.

Mr. and Mrs. Willie Burnett, Mr. and Mrs. Henry Black and Edgar Yager and Mr. and Mrs. Rodney K. Fontaine and family visited at the R. K. Anderson home Sunday afternoon.

The Worthwhile Club met Wednesday afternoon at the Woodman Hall and the following answered roll call: Mrs. Mollie Stidham, Roberts, Weldon, Henry Black, Davis Black, Marek Shot, Yager, Douglas, Harrell; Ethel McKinney and Rodney Fontaine and one visitor, Mrs. Perry Tindall of Calvert. Miss Bartholomew demonstrated The Turkey Lot, Its Value and Practicability. Discussion for the afternoon was (1) Varieties of turkeys and their characteristics (2) Management and feeding of breeding stock, (3) Brooding, (4) Feeding. After business the refreshment committee, Mrs. Lee Marek and Mrs. R. Fontaine served angel food squares, iced in green, punch and tuna fish salad sandwiches.

Thelma Sisson spent Sunday with Maudie Canady.

Mr. and Mrs. Birt Thrasher and children and Kathryn Bailey spent Sunday at the John Bailey home.

Ruby Smitherman spent unday afternoon with Roxie Crook.

Mrs. Lee Marek had Sunday dinner guests from Cameron and Rosebud.

Mr. and Mrs. Willard Keith of Cameron and Mr. and Mrs. Howard Schwarting and Shirley Jean of Clarkson spent Sunday at the W. T. Johnson home.

John Jones and wife of New Gulf spent the week end at the Jones home.

Rev. Neal Clarke was a Sunday dinner guest at the P. H. Love home.

C. J. McLerran spent the week end in Waco.

Clara Bennett Love returned home Monday from Waco after a 3 weeks stay with her sister.

R. K. Anderson is doing quite well following such a severe injury cutting his right eye ball open while working Saturday in the Jones Prairie shop. He was rushed to Dr. G. B. Taylor's office and by his skillful work saved the sight of the eye.

Ad Hall

Mr. and Mrs. Frank Kamenicky were Sunday guests of Mr. and Mrs. J. L. Gerick.

Mr. and Mrs. Frank Juneke were guests of Mr. and Mrs. Walter Juneke.

Mr. and Mrs. J. L. Gerick, son Louie and Mr. and Mrs. Thomas Merka and son, Thomas Jr., returned from Bryan where they attended the funeral of Mrs. Marg Marka.

Thomas Merka and Frank Lesikar visited in the community Monday.

Mr. C. C. Kubish, Nettie Juneke, Florene and Lorene Juneke, Willie Roesler, Anton Shedy and Annie Shedy were guests in the G. L. Gerick home Sunday.

Mr. and Mrs. J. Jedlicka and family made a business trip to San Gabriel Sunday.

Frank and Joe Krall were transacting business in Cameron Monday and Tuesday.

Frank Shiller is a patient in the Temple hospital.

Mr. and Mrs. Joe Zarosky were guests of Mr. and Mrs. Matt Zarosky Monday.

Mr. and Mrs. Matt Zarosky are the proud parents of a baby boy.

METHODIST CHURCH

The pastor kindly requests every member of his church and cordially invites all others who have no church home, to attend the services at the Methodist church next Sunday morning at 11 a. m. The subject of the sermon will be 'The Glorious Gospel—A Trustee's View.' At the evening hour we shall have no service in order to join the other congregations in a union meeting at the Baptist church for the purpose of welcoming Rev. N. D. Timmerman, the new Baptist minister.

The Bluebird Choral Club of the

high school will sing by special invitation for the morning service.

As announced elsewhere, pre-Easter services will be conducted in the churches during next week.

At the Methodist church the subjects of the sermons each evening will be as follows:

Monday, 'Jesus and the Family.'
Tuesday, 'Jesus and the Church.'
Wednesday, 'Jesus and the Discouraged.'
Thursday, 'Jesus and World Redemption.'
Friday, 'Jesus and the Cross.'
Sunday, 'Jesus and Immortality.'
We invite the general public to take advantage of these services.
C. A. LEHMBERG, Pastor.

Miss Wylene Hyde who has been rooming at the Mowdy home has moved to the home of Mrs. Max Fox.

SUBSTITUTE TRUSTEE'S NOTICE OF SALE OF REAL ESTATE

State of Texas,
County of Milam.

Whereas, Tom A. Caffey, individually and as community survivor of the estate of his deceased wife, Edna Caffey, and wife, Nettie Caffey, delivered to Louis Breiling, Trustee, a certain deed of trust, conveying the land hereinafter described, dated November 18th, 1922, recorded in Vol. 52, page 37, Deed of Trust Records, Milam County, Texas, to which reference is hereby made for all purposes, in order to secure the payment of the following indebtedness: One note for the principal sum of \$400.00, dated November 18, 1922, payable to the order of The Union Central Life Insurance Company on January 1, 1933, bearing interest from date until maturity at the rate of 8 per cent per annum and after maturity at the rate of 10 per cent per annum, interest payable annually and evidenced by interest coupon notes attached, containing the usual default and attorney's fee clauses, and executed by Tom A. Caffey, individually and as community survivor of the estate of his deceased wife, Edna Caffey; and,

Whereas, default has been made in the payment of said indebtedness, and The Union Central Life Insurance Company, the owner and holder of said debt and lien, has, by reason of such default, declared said indebtedness, now amounting to the sum of \$438.00, including principal and interest, to be immediately due; and,

Whereas, said original trustee has declined to act and has resigned as such trustee, and The Union Central Life Insurance Company, has, in writing, duly appointed the undersigned as substitute trustee under said deed of trust; and,

Whereas, The Union Central Life Insurance Company has, in writing, duly requested the undersigned, as substitute trustee, to sell said land under said deed of trust to satisfy said indebtedness, together with interest thereon at the rate of 10 per cent per annum from date hereof to date of sale and attorney's fees and expenses of sale;

Now, therefore, by virtue of authority vested in me, as substitute trustee and in accordance with the provisions of said deed of trust, I, L. M. Bickett, as substitute trustee, will proceed to sell, at the Court House door in Milam County, Texas, in the city of Cameron, Texas, the tract of land hereinafter described, with all and singular the rights and appur

tenances thereto in anywise belonging, to the highest bidder for cash, on the 7th day of April, A. D., 1931, that being the first Tuesday in said month, between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m., of said day, to satisfy said indebtedness, principal, interest, attorney's fees, and expenses of sale to the date of sale.

Said land is described as follows, to-wit:

Lying and being situated in Milam County, Texas, and being One Hundred (100) acres of land out of and a part of the John Bright Original Grant in said County, Patent No. 156, Vol. No. 4, Abstract No. 92, and being the same land fully described by metes and bounds in that certain deed of trust, dated November 18th, 1922, executed by Tom A. Caffey, individually and as community survivor of the estate of his deceased wife, Edna Caffey, and his wife Nettie Caffey, to Louis Breiling, Trustee, recorded in Vol. 52, page 37, of the Deed of Trust Records of Milam County, Texas, to which instrument and the record thereof reference is here made for more certainty of description.

Witness my hand, this 7th day of March, A. D., 1931.

L. M. BICKETT,
Substitute Trustee

BLOCKING THE PATH OF PROGRESS

RAILWAY traffic—both freight and passenger—registered alarming declines in 1930. The number of passengers carried by the railroads was the smallest in 25 years and the passenger earnings of the railroads were less than any year since 1916.

Virtually unregulated highway competition—that is, in effect, government subsidized—now is making serious inroads in the freight tonnage of the railroads. This does not mean that your railroads are in danger of being abandoned. Far from that. But, this new form of unfair competition is seriously affecting the rail carriers.

Faced with losses in passenger traffic, ranging from 30 to 50 per cent in the last ten years, and losses of freight tonnage that represents the "cream" skimmed from the business, the railroads, in addition, are confronted with continually decreasing revenues as a result of countless rate adjustments, the final effect of which is an ever lower level of rates and revenues.

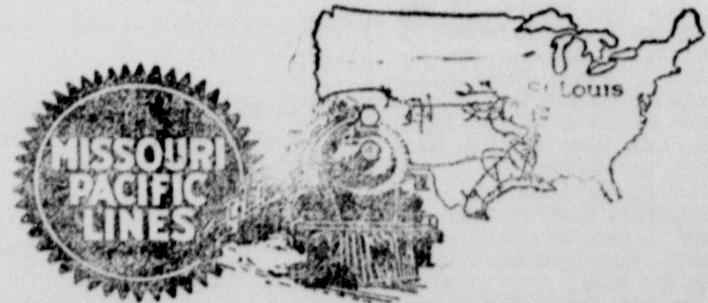

The present situation is not comparable to that when the railroads supplanted the stage coaches and the river steamboats. Then, as now, the railroads were more than amply able to take care of all the traffic. But, if the unregulated, subsidized competition on highways and waterways should now destroy or cripple the railroads these other kinds of transportation could not begin to take care of the transportation requirements of this country.

For instance, in normal good times, the freight traffic of this country approximates 1,000,000 cars a week. Allowing three tons per truck it would require 10 million trucks, and allowing only 50 feet per truck it would take 100,000 miles of highways to line up enough trucks end to end to load this traffic. It doesn't require much of an imagination to picture what would happen if the railroads should cease to function.

The railroads cannot adjust themselves and their service to meet the present unregulated competition. If the competition, especially that on the highways, is properly stabilized the railroads can be counted upon to continue to provide the best and cheapest transportation in the world.

I solicit your co-operation and suggestions.

W. B. Smith

"A Service Institution"

Stops Headache in Five Minutes

A Wonderful Formula Ends Aches
and Pains Almost Like Magic.

Something Better and Safer
Thousands of men and women are now stopping throbbing, sick, dizzy, splitting headaches, as well as the excruciating pains of rheumatism, neuritis, toothache, etc., with a marvelous new formula that is said to be far superior to anything heretofore used.

It contains no aspirin, acetanilid, etc., and is absolutely safe and harmless. This remarkable formula, called A-VOL, is being prescribed by thousands of doctors, dentists and welfare nurses because of the quick, efficient way it relieves all types of aches and pains without depressing the heart, or causing any other harmful effects. A-Vol quickly stops the most severe pain, leaving the patient refreshed and feeling fine. Especially effective in women's period pains. To quickly prove to yourself that this is truly a remarkable formula, just step into your nearest drug store and get a package of A-VOL for a few cents. Take a couple of tablets right there. If your pain is not gone in five minutes, the clerk will return your money.

GOOD FOR DIZZINESS

Constipation Troubles Relieved
By Black-Draught, Says
Kentucky Man.

Hopkinsville, Ky.—Hundreds of people in Hopkinsville know Mr. Dale Harris, of 102 South Kentucky Avenue. Mr. Harris knows Theford's Black-Draught, from having taken it a number of years. He says:

"I often come in from work with a bad feeling in my stomach and head. I have a dizzy feeling in my head and am constipated, so I fix me a dose of Black-Draught immediately to guard off a spell of illness."

"I have always found Black-Draught to be perfectly satisfactory in every way, and would recommend it to any one as a safe and wonderful medicine when a purgative is needed."

"It is a good idea to keep a box of Black-Draught in the medicine cabinet so at a moment's notice you may take some when dizzy spells and constipation occur."

Thousands of others have reported that many disagreeable symptoms, due to constipation, have gone away after they had taken Theford's Black-Draught.

This well-known medicine has been in use nearly 100 years, and its popularity is constantly increasing, as growing sales clearly prove. Sold in 25¢ packages.

A mortuary service marked by dignity and harmony is offered by this old and reliable firm. We are completely equipped to remove the entire funeral burden from your shoulders.

Gause

Supt. J. F. Cook and Principal Mrs. Roberta Bowling accompanied the tennis players to Cameron Saturday and Leslie Lottie and Gertrude Hauptfleisch entered in doubles beating Thorndale and then Thorndale and winning first place. Eula Faye Haffley entered in singles but did not place. Frank Harriel played boys singles and Millard Cook and Johnnie Lee Cannon boys doubles but did not place. Gause was holding a slight lead over Buckholts as a result of the previous events and Gause rated higher Saturday winning County championship in Class B. Schools. A community get to gether meeting will be had Friday night, April 3 introducing the winners and reviewing some of the literary events. Everyone is urged to come.

The Hicks community staged a negro minstrel at the school auditorium here Saturday night. A number were present and enjoyed the entertainment.

An Easter Love Shower was given Mrs. F. M. Hauptfleisch and children Friday night by their many friends here for love and in honor and remembrance of the deceased. The shower was a total surprise to the family. Guests took baskets of food preparing a real feast. Many practical gifts were received and everyone enjoyed the evening.

C. H. Morris, oil man here, will preach at the Baptist church here on Sunday, March 29 at 11 o'clock in the morning and at 8 o'clock in the evening. Many who heard him before while here say you will miss something good if you are not present.

Rev. Kendall and several B. Y. P. U. members attended the B. Y. P. U. zone meeting at San Gabriel Sunday afternoon.

Mrs. George Kendall entertained the Junior B. Y. P. U. Friday night with a social. The boys went dressed as girls; the girls wore boys clothes. It is useless to say they had a delightful evening.

Little Miss Mary Francis Roper celebrated her tenth birthday with a little party at her home here Thursday afternoon. A number of little friends were present and enjoyed the evening, the honoree receiving a number of dainty little gifts.

Philmore Spraggins celebrated his birthday Monday afternoon with a little party at his home and a number were present expressing their affection with little gifts and all had a nice time.

The sewing club met at the home of Mrs. A. R. J. Ealand Wednesday afternoon. All passed a very pleasant afternoon chatting and working.

Mr. and Mrs. J. F. Cook and children motored to Austin Sunday to visit relatives.

Mr. and Mrs. Arthur Bowling visited parents, Mr. and Mrs. Horace Holden in Franklin Sunday.

Mr. and Mrs. Niley Smith of Cameron visited his brother, Mr. and Mrs. W. B. Smith on Sunday.

Mr. and Mrs. L. J. Bowling and grandson, Mike Hickman spent the week end in Beaumont with children.

Walter F. Sharpe's Ice Cream Factory Valued Industry

An industry of importance and growing service is the Ice Cream Manufacturing Plant in Cameron of Walter F. Sharpe.

In addition to its service in the manufacture of a very fine product in all its forms, the ice cream plant affords a market for a large milk and cream supply and in this way as well as in other ways is making better market possibilities in Cameron.

The Ice Cream Plant of Mr. Sharpe in Cameron has been in operation for a number of years and under the able and efficient management of Mr. Sharpe has become one of the most valuable of Cameron industries.

Mr. Sharpe manufactures ice cream for sale in his Palace of Sweets and for wholesale and retail trade in Cameron. The cream is manufactured on orders for entertainments and is supplied in every form demanded for these entertainments.

Over the territory at large retailers of ice cream find in the plant a

service that meets their needs and affords them conveniences that are highly appreciated. Each year Mr. Sharpe sells a large volume of cream and during the years he has been operating the plant has made friends and the quality of his products are impressive to the extent that Cameron has received much favorable publicity through his efforts.

This is a home owned and home operated industry and Mr. Sharpe invites you to consider this product and what it means to Cameron when you view the assembly of products made by Cameron manufacturers.

MRS. SALLIE GRAVES

Mrs. Sallie Graves, age 48 years died at her home at Milano, Sunday, afternoon at seven o'clock after a lingering illness of three years.

Deceased is survived by several children. Funeral services were held at the family residence; interment was made in Milano cemetery.

BACKACHE SPELLS

This Lady's Husband Urged Her To Take Cardui.—Soon Benefited.

Troy, Ala.—"Cardui has done me good, and it has done my 16-year-old daughter so much good," says Mrs. J. W. Jirright, of this place, "that I felt I wanted other women to know the facts about it, so I wrote to The Chattanooga Medicine Co., telling them about my experience with this medicine, Cardui. "I have used it at intervals for sixteen years, when I suffered from weakness, and it always helped me. "Mostly I was afflicted with bad spells of backache. At times I felt as if my back would break. I would drag one foot after the other, in a helpless sort of way, and once I got down in bed. My husband urged me to take Cardui, and I soon found what a fine medicine it really was. "When my second child was little, I was in very bad health. I did not pick up as I should have. I was weak and sickly. I do not believe that I would have come through, but for Cardui." "Thousands of other women have written to tell how Cardui had helped them to health. Cardui is a purely vegetable remedy and contains nothing harmful or injurious. It may be safely taken by a delicate young girl as well as by a feeble old lady."

CARDUI
MADE IN U.S.A.

WILL DEMONSTRATE ICE COOKING HERE

MISS WEAVER TO CONDUCT
EXHIBIT FOR ICE
COMPANY

The advantages of ice refrigeration will be a part of the demonstration program of the Cameron Ice & Cold Storage Company during Manufacturer's Week beginning here on March 27.

Hayden Lawrence in charge of the exhibits for the company has arranged an impressive schedule for the week.

Miss Vivian Weaver of Houston, home economics expert and employed by the Houston Chamber of Commerce will be in Cameron and will have charge of the exhibit for the ice company.

Miss Weaver was formerly with the extension service of A. & M. College and is a graduate of the University of Oklahoma and holds a Master's Degree from Columbia University in New York.

She will demonstrate the benefits of ice refrigeration and in general will tell the housewives of the advantages of ice.

Of especial interest in connection with the exhibit will be a demonstration of cooking with ice. The demonstrations will be held in the Gohmert building formerly occupied by the J. D. Dobbins dry goods store and will be open at night. Refreshments will be served and women are invited to bring their husbands to the demonstration. All ladies will get a free souvenir during the demonstrations.

Mr. Lawrence counts it fortunate to be able to have Miss Weaver in Cameron for the demonstration during Manufacturer's Week and extends a cordial invitation to the housewives of Cameron and surrounding territory to visit the store and meet Miss Weaver and hear what she

has to say about more modern methods in the kitchen and the advantages of ice refrigeration and ice cooking.

SHERIFF'S SALE

The State of Texas,
County of Milam,

Whereas, on the 6th day of December, A. D., 1930, in a certain cause, numbered 1242 on the docket of the District Court of said county, wherein the State of Texas is plaintiff and Leo Taylor, Alice Estham and A. J. Estham, defendants, the said plaintiff recovered judgment in the amount of one hundred and eighteen dollars for taxes, and legal amount penalties, costs and interests computed thereon, together with the foreclosure of plaintiff's delinquent tax liens upon the property hereinafter described as the property of the defendants, because of non-payment of the taxes due thereon;

And whereas, on the 6th day of March, A. D., 1931, by virtue of the said judgment and the mandates thereof, the Clerk of the District Court of said county did cause to be issued an Order of Sale, commanding me as Sheriff of said County to seize, levy upon and sell in the manner and form as required by law the herein-after described property as the property of the above defendants, to satisfy the said judgment.

Wherefore, by virtue of the said Order of Sale and the mandate thereof, I did on the 7th day of March A. D., 1931, seize and levy upon as the property of the above defendants, the following property, to-wit:

All that certain lots and parcels of land lying and being situated in Milam County, Texas, and being in two tracts out of the Smith-Vincent survey and particularly described as follows:

First Tract: Being the North end of the tract conveyed by Theresa Williams and others to Rosa Bankston as per deed in the Milam County, Deed Records and particularly described as beginning at the N. E.

cor. of a 191 acre tract for the N. E. cor. of this tract, a P. O. 8 in. in dia. marked 'A' brs. S. 29 W. 5 1-2 vrs, thence S. 71 W. 670 vrs. to N. W. cor. of this tract in North line of said 191 acres a B. J. 18 in. in dia. marked 'X' brs. S. 71 W. 5 1-4 vrs, thence S. 19 E. 547 1-2 vrs. to S. W. cor. of this tract, a P. O. 8 in. in dia. marked 'H' brs. N. 15 W. 3 1-5 vrs, thence N. 71 E. 670 vrs. to S. E. cor. of this tract a B. J. 7 in. in dia. marked 'W' brs. S. 7 W. 1 v. r.; thence N. 19 W. 547 1-2 vrs. to beginning, containing 65 acres and being the same land conveyed to E. B. Phillips by Mrs. Rosa Bankston and husband by deed recorded in Vol. 91 page 530 of the Milam County Deed Records, reference to which deed and the record thereof being here had for description of said land.

Second Tract: Being a part of the 191 acres allotted to Bettie Wilkinson in the division of the Williams estate and described as beginning at the N. E. cor. of said 191 acre tract for the N. E. cor. hereof in East line of said grant, whence a B. J. 7 in. in dia. marked 'W' brs. S. 62 W. 1 v. r., thence

S. 19 E. 547 1-2 vrs. along the E. line of said 191 acres to the S. E. cor. thereof for the S. E. cor. hereof, being N. E. cor. Jas. Shaw Grant, whence a B. J. marked 'V' brs. S. 22 W. 3 2-3 vrs; thence S. 71 W. along the South line of said 191 acres 671 vrs. to the S. W. cor. hereof; thence N. 19 W. 547 1-2 vrs. across said 191 acres to the N. W. cor. hereof in N. line of said 191 acres; thence N. 71 E. 671 vrs. along the North line of said 191 acres to the place of beginning, containing 65 acres of land, more or less, and being the same land conveyed to E. B. Phillips by Bettie Wilkinson and B. T. Wilkinson, by deed recorded in Vol. 111, page 338 of the Milam County Deed Records.

And I will on the first Tuesday in the month of April A. D., 1931 the same being the 7th day of said month, proceed to sell said property at the Court House door of said county, in the city of Cameron between the hours of 2 o'clock p. m. and 4 o'clock p. m., to the highest bidder for cash all the right, title and interest of the above defendants, in and to the above described property; subject, however,

to the rights of the defendants, to redeem same in the time and manner provided for by law, and subject to the further rights of the defendants to have said property divided and sold in less divisions than the whole. And in event there are no bidders, said property will at said sale be bid off to the State.

L. L. BLAYLOCK, Sheriff,
Milam County, Texas.
By Will Vaughan, Deputy
Cameron, Texas, March 7th, A. D., 1931. 47-3tc

Mattress Factory Supplies Definite Need In Community

Meeting a definite need in the community the T. E. Key Mattress Factory located in Santa Fe town will have an exhibit during Manufacturer's Week that will be of interest to the people here and will contribute in a large way to the success of the program to bring forcefully to the attention of the people the extent and quality of products made in

Cameron by Cameron industries. Mr. Key was born and reared in Milam County. He came to Cameron in the fall of 1930 and purchased the Mattress Factory from Mr. Brod and has given a worthwhile service to the people here. He has had years of experience in mattress making and his products have given entire satisfaction.

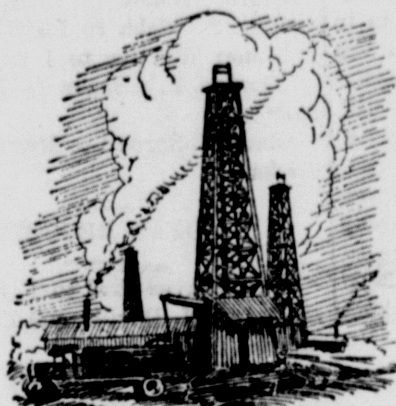

Mattress making has been developed to a science in this industry and the costs to the people are always kept within the bounds of reason so that all may have the benefits of it. Mr. Key asks for your patronage based on the claims of local industry and the quality of work done at his plant in Cameron.

Long lived, hardy, beautiful Chinese Arbor Vitae is the best evergreen for windbreak, hedge, screen or background. Lowest prices ever known are offered by Ramsey's Austin Nursery, Austin, Texas. 41-7tc

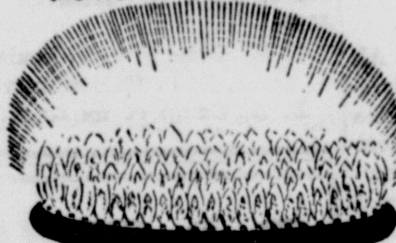

Now is a good time to plant trees. Write for catalogue. Ramsey's Austin Nursery, Austin, Texas. 41-7tc

"SERVICE"*

~the reason for the difference~

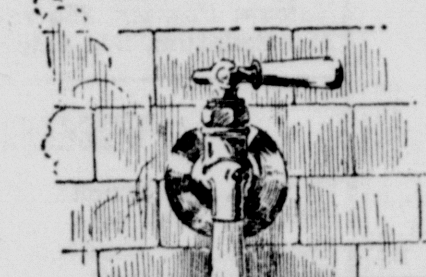

The Average Price of Gas at the Well is Six Cents

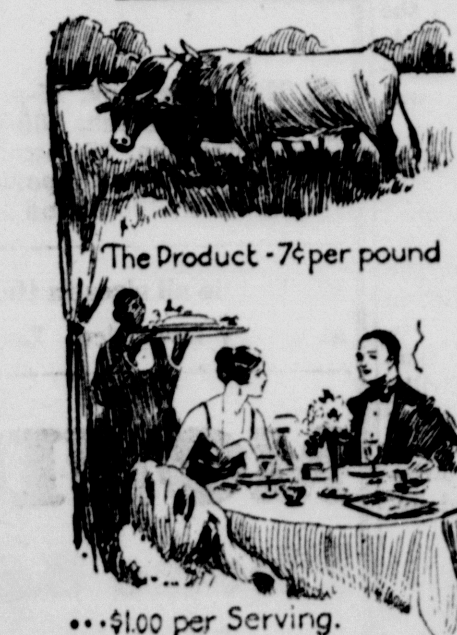

The Average Price of Domestic and Industrial Natural Gas SERVICE is Forty-five cents

Water at the Source of Supply is FREE

It is the Service delivering water to your home that you pay for

The Product - 7¢ per pound

...\$1.00 per Serving.

WHEN YOU LIGHT THE BURNER of your gas appliance and the flame springs to life instantly, you see results--comfort--convenience--not causes.

Seldom, if ever, do you see the Service agencies that make this ideal fuel supply possible. Pipe lines, gas compressor stations, gas wells and manpower, Service--the combination of efforts that brings natural gas to your burner and which plays a major part in the cost of your fuel supply.

The average price of gas at the well is six cents per 1,000 cubic feet while the average price of NATURAL GAS SERVICE delivered to the customer's burner for domestic and industrial purposes is 45 cents per 1,000 cubic feet. The former is fuel, the latter, a fuel Service that provides heat at the burner automatically, when and as you want it, without ashes, smoke, or soot, or the need for extra labor or storage. Back of the flame of your burner stands the Service of your gas company with its skilled employees and its facilities for delivering the gas. Service must be maintained! Service is what you are paying for!

The fact that your gas company must maintain the year round, at great expense, pipe line and compressor capacity equal to the coldest day of the year--even though this peak capacity is not required except on a few cold days in winter--is merely one of the items of this responsibility called Service. A vast army of employees and large capital resources are continually engaged in maintaining this dependable fuel supply. Drilling, the laying of pipe lines, the equipping of compressor stations, telephone lines, production, transmission and distribution activities represent a colossal investment in materials, equipment and personnel. A correlated system of Service that is synchronized with the broader development of the vast territory we serve.

Your Gas Company takes pride in the fact that it pioneered the production and transportation, in this section, of the only available fuel that can be utilized by the consumer without special handling or the use of costly mechanical accessories. Realizing our responsibility, we take the utmost precaution to assure you permanent fuel satisfaction by providing a dependable flow of gas--regardless of the weather.

The combination of efforts that brings any product to you.

DO YOU NEED PLANTING SEED?

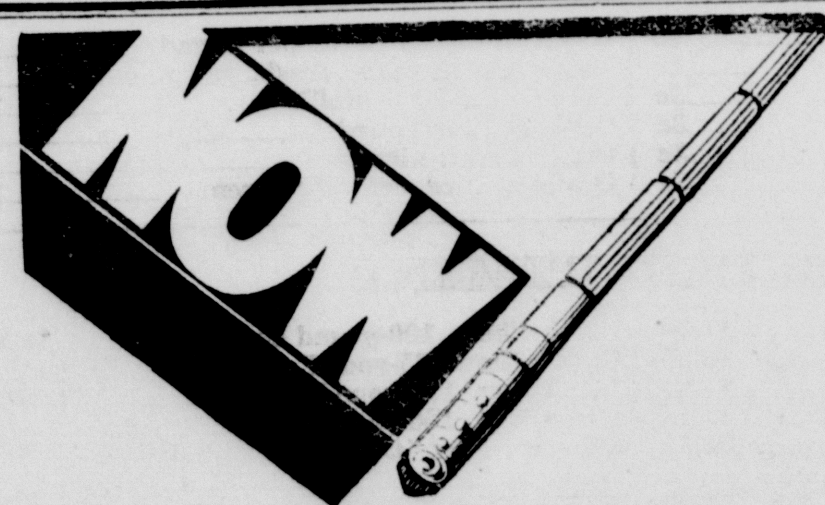

If so, here is your chance to get some of the best Seed that is possible to secure at all time low prices.

I still have a few of the Seed on hand from the carload that I received from H. Conrads, San Marcos, Texas, the originator, grower and breeder of Qualla Pedigreed Cotton Seed. They are some of the best-looking seed that you have ever seen. They are a very high germination test, and are all treated with Ceresan, so that you will be sure to get a good stand from them.

See me at once before the Seed I have on hand are exhausted. When they are gone, I probably won't be able to get any more. Mr. Conrad tells me that his supply is very limited, and being taken up rapidly. I guarantee these Seed to be everything they are claimed to be, and that they will give you 100 per cent satisfaction.

trial equipment of the community assures success to the effort now being made to advertise Cameron and to impress the country at large with the advantages to be had here in manufacturing and the operation of essential industries.

Ice Company

(continued from page one)
clean, sanitary storage vault and from this vault is taken to the ice scoring machine where it is sold to customers.

Each block of ice weighs 310 pounds. When the block is scored it insures a pound or two more than the customers actually pay for due to the larger block and the scoring machine.

In the delivery of this ice workmen on the trucks use ice bags which prevent soiling the floors of the housewives and insures an added sanitary method of handling.

The daily capacity of the company is 50 tons or 100,000 pounds.

The large storage vaults of the company affords a fine service. Each year the Peter Company stores from 8 to 10 car loads of dressed turkeys and poultry in the vaults. Storage is also provided for the cheese plant and for pasteurized milk.

A large storage vault built last year is a convenience to shippers and to wholesale dealers. This vault is operated so as to provide negotiable receipts if needed. It is modern in every detail and has a 12 car capacity. The freezing equipment is constructed in the center of the vault.

A fine service is also rendered meat sellers in the city as well as in the country. Meat slaughtered in the country may be brought to the storage vault and kept and this storage annually accommodates a large number.

The Cameron Ice and Cold Storage Company will have a display during Manufacturer's Week that will be of interest and will contribute much to the success of the program which begins on March 27.

Traffic Expert

(continued from page one)

questions of motor knowledge. All drivers are invited to take the driving test and there will be no fee charged for the study course. Drivers passing 50 credit points will be awarded a certificate membership card in the National Drivers Association. This card will be a valued possession to the driver passing the credits, it certifies that the holder of one of these cards has qualified as a Master Driver of the automobile. Every driver of Cameron and surrounding towns should set aside all other appointments to avail themselves the privilege of this important occasion.

Mrs. Hickox, wife of the Captain also a national radio artist accompanied her husband here. Mrs. Hickox is a former vocalist of the St. Olaf Choir. This organization is world famous. She is known over the larger radio stations as 'The Mavis of Safety.' Mrs. Hickox will sing at the high school on the evening of the lecture on expert automobile driving.

Mrs. Blumenthal

(continued from page 1)

She was carefully nursed and taken care of by her devoted daughter and had every comfort that could be given her.

She is survived by her husband, Wm. Blumenthal, a daughter, Mrs. R. A. Tag, of Cameron; a son, Ed Blumenthal of Houston; three grandchildren, William Blumenthal, Lee Tag of Baytown and Harry Tag of Cameron.

Funeral services were held at the residence of R. A. Tag by Rev. C. A. Lehmberg, pastor of the First Methodist church and interment was made in Oak Hill cemetery.

Pall bearers were W. O. Triggs, J. D. Epton, H. N. Tate, W. A. Bonds, Charlie Pollard and H. E. Graham.

Out of town relatives and friends to attend the funeral were Mr. and Mrs. Herman Waak, Mrs. William Mantzel, Mr. and Mrs. Wm. Viereck and two children of Bellville. Beautiful floral offerings came from many friends.

Coleman and Eplen, funeral directors, had charge of the funeral arrangements.

It may be true that half the world knows how the other half lives. The problem is to get half the world to care how the other half lives instead of wondering why it lives.

To know what you prefer, instead of humbly saying 'amen' to what the world tells you ought to prefer is to have kept your soul alive.—R. L. Stevenson.

Cameron Hatchery Big Aid To Better Poultry Raising

With the growth of the important poultry industry as a means of bringing to the farms a more balanced income, the necessity for centrally located and well equipped hatcheries has been met in a most splendid and definite way in Cameron.

One of the fine industries here is the Cameron Hatchery owned and operated by Hornung Brothers. This Hatchery is a 50,000 egg capacity plant and was established here in 1929 to meet the needs for more chicks on the farms.

During Manufacturer's Week the Hatchery will have a display to bring to the attention of the people of this section the work of the industry and to emphasize Cameron's advantages as a manufacturing and distributing center.

Commercial hatching is thus done on a large scale, giving the farmers and poultry raisers the advantages of good chickens hatched under proper conditions and at prices that make poultry raising a profitable business here.

Each year Cameron enjoys a larger trade volume as a result of the raising of more and better poultry and the Cameron Hatchery is doing its full share of service in making this possible.

If the hydrogen in a teaspoonful of water would convert itself into helium, 100,000 kilowatt hours of energy would be set free, worth \$10,000 at 10c per kilowatt hour.

The claim that good times are just around the corner sounds good even if it is beginning to get a little threadbare.

with the characteristic energy and efficiency of its owner, R. L. Batte. Its benefits each year are reflected in the increasing trade volume at Cameron and affords employment to many thus enriching the community in addition to serving a definite need for manufacturing food and feed products.

The capacity of this plant is large and from it each year is made a

large volume of cotton seed oil, cake, hulls, meal and other products of cotton seed. The operation of this big plant situated in the heart of the cotton growing belt of Central Texas, affords every facility for proper disposition of cotton seed and brings a large annual volume of money to the farmers of this section.

Manufacturer's Week in Cameron will be made more impressive by the exhibit of products made at the Cameron Cotton Oil Mill and the co-operation of Mr. Batte in the program of putting forward the indus-

modern conveniences, call 97 or 365.
